Message from President

Dr. KESHARAJU VIJAYAKUMAR
President
Telangana Ophthalmological society

Dear Esteemed Members, Colleagues, and Friends,

It gives me immense pleasure and privilege to welcome you all to the 11th Annual Conference of the Telangana Ophthalmological Society (TOS), being held at the prestigious Mamata Medical College in Khammam, commencing from the 17th of July.

Reflecting upon my journey, I have had a deeply satisfying and fulfilling tenure serving as your 10th TOS President. The milestones we achieved together over the past year were only made possible by the exemplary teamwork, unwavering commitment, and shared vision of all the TOS office bearers.I would like to extend my heartfelt gratitude to our dynamic TOS Secretary, Dr. P. Praveen, whose stellar leadership in seamlessly organizing and executing all our institutional programs has been invaluable. He is truly a tremendous asset to our organization. I also highly appreciate and acknowledge the meticulous efforts and good work put forth by Dr. Siva Wurity (Joint Secretary) and Dr. Superna M.(Treasurer). Furthermore, my sincere thanks go to our Advisor, Dr. Ravindra A., whose steady guidance and wise advice have been a pillar of strength throughout this tenure.On the academic front, our team has scaled remarkable heights. Dr. Raman (Chairman, ARC), Dr. Srinivas Prasad (Editor, TOS Journal), and Dr. Rishi Swarup (Chairman, Scientific Committee) have all done an absolutely excellent job. In particular, I appreciate Dr. Raman for successfully conducting six Academic Research Committee (ARC) meetings that have immensely benefited our post-graduate students, fostering a strong culture of continuous clinical learning.It is also a matter of immense pride for our society to congratulate Dr. Rishi Swarup for winning a prestigious award at the AIOS 2026 . Furthermore, I am absolutely delighted to share that through the collective, tireless efforts of TOS—with special mention to the leadership and perseverance of Dr. Manoj Mathur and Dr. Santhosh Honavar—we have successfully secured the bid to bring the grand AIOS 2028 National Conference to Hyderabad.

Message from **Hon. Gen. Secretary**

Dr. P. Praveen
Honorary Gen. Secretary,
Telangana Ophthalmological Society

Warm Greetings to all my esteemed colleagues and vision pioneers.

It is my great privilege to invite you all for this 10TH TOS Annual conference at Warangal.
In this conference we celebrate not just our shared profession, but our collective commitment to restoring and preserving the miracle of sight. This gathering is more than a meeting of minds, it's a convergence of passion, purpose, and progress.

Let this conference be a platform to exchange cutting - edge innovations, revisit timeless techniques, reaffirm our dedication to patient centered care. Whether it is mastering microsurgical finesse or embracing the power of AI in diagnostics, every insight shared brings us one step closer to a clear, brighter future for our patients.

Under the leadership of TOS President Dr. GR Bharath Kumar and Advisor Dr. A. Ravindra we all worked effectively. Dr Rishi Swarup, Chairman Scientific Committee and members of Scientific committee prepared a bosket of knowledge packed scientific content. Dr. Srinivas Prasad, Editor Publication, along with his members releasing Telangana Ophthalmological Journal which is going to be an Indexed journal in near future. Dr. Modini, Chairman ARC added new PG teaching methodology "SKIT SESSION" in Annual Conference. I thank Dr. K. Vijaykumar, President Elect, Dr. V. Pravin Krishna, Vice-President, Dr. P.Praveen, Joint Secretary, Dr. V. Ravikumar, Treasurer for their contributions.
This 3 days conference will bring all sight saving practitioners, researchers and educators together to share knowledge. Adding to the scientific knowledge you can acquire geographical knowledge of Kakathiya dynasty sculptures, monuments and great culture.

I wish you all great future ahead and I will be delighted to see you all in person at Hanmakonda.

With best wishes!

Dr. P. Praveen
Honorary Gen. Secretary,
Telangana Ophthalmological Society

Dr. V. Rajalingam,

Message from **Scientific Committee Chairman**

Dr. Rishi Swarup,
Chairman, Scientific Committee,
Telangana Ophthalmological Society

Dear Colleagues,
It is my immense pleasure to invite you to STAMBHADRI EYECON 2026 in the vibrant city of Khammam—a conference thoughtfully designed to inspire, educate, and connect ophthalmologists across every stage of their professional journey.

Our Scientific Committee has curated a comprehensive programme that blends cutting-edge science with practical clinical wisdom. Over three exciting days, you can look forward to internationally acclaimed faculty (2 international and 18 national faculty), stimulating keynote lectures, prestigious orations, near-live surgical demonstrations, focused instruction courses, interactive symposia, challenging debates, grand rounds, video sessions, and opportunities to engage with the brightest minds in ophthalmology.

The conference spans every subspecialty—from cornea, cataract and refractive surgery to glaucoma, retina, pediatric ophthalmology, neuro-ophthalmology, oculoplasty, ocular oncology, uvea, trauma, and practice management. Special highlights include sessions on artificial intelligence, innovation, myopia management, complex surgical decision-making, and emerging technologies that are shaping the future of eye care.

Young ophthalmologists and postgraduate students will find abundant opportunities through competitive paper presentations, surgical video sessions, quizzes, grand rounds, and the "Teachers of Tomorrow" programme. At the same time, experienced clinicians can look forward to enriching discussions, expert panels, and practical pearls that can be translated directly into everyday practice.

Beyond the scientific feast, Khammam offers the warmth and hospitality for which Telangana is renowned. We hope you will enjoy not only the academic excellence but also the friendships, collaborations, and memorable experiences that make TOSCON truly special.

On behalf of the Scientific Committee, I warmly invite you to join us in Khammam. Come prepared to learn, share, debate, innovate, and celebrate the spirit of ophthalmology.

We look forward to welcoming you to an unforgettable TOSCON 2026.

Warm regards,

Dr. Rishi Swarup FRCS.
Chairman, Scientific Committee,
Telangana Ophthalmological Society.

The realization of this annual conference is a testament to the dedicated and able efforts of the Local Organizing Committee (LOC) in Khammam. Working diligently under the expert guidance of Dr. Satyanarayana Murthy, alongside Dr. R. Radhakrishna Murthy (Chairman) and Dr. E.Y. Lavanya, this team has worked cohesively to ensure that the 11th TOS Annual Conference is a resounding, grand success.Finally, I express my deepest gratitude to the Management of Mamata Medical College, Khammam, for their unconditional, whole-hearted support and hospitality in hosting this convention on their beautiful campus.Thank you all once again for your dedication to advancing the field of ophthalmology. I wish everyone an intellectually stimulating, collaborative, and memorable conference experience.

Warm regards,
Dr. KESHARAJU VIJAYAKUMAR,
President,
Telangana Ophthalmological Society (TOS)

HERE WE GO.....

ATTRACTIONS @ Khammam

Khammam Fort

Khammam Fort:

Khammam Fort is a historic hill fort with a legacy spanning over 1,000 years. Built during the Kakatiya era, it was known as "Khammamettu" in ancient inscriptions. Construction began in 950 CE, when three farmers from Velugumatla—Ranga Reddy, Laxma Reddy, and Velma Reddy—used a discovered treasure, with the Kakatiya rulers' permission, to build the fort. Initially made of mud, it was later strengthened with granite stones. The nearby Lakaram Cheruvu is believed to have been dug by Laxma Reddy, adding to the fort's rich historical heritage.

Lakaram Lake

Lakaram Lake:

Lakaram Lake is one of Khammam's most popular tourist attractions, located about 4 km from the city bus station. Revitalized under the Mission Kakatiya initiative, the lake features the beautiful Lakaram Lake View Park, offering a peaceful environment for visitors. Popular activities include boating, morning walks, family picnics, and evening strolls. The lake's scenic sunrise and sunset views make it a favorite spot for photography, while Sunday evening open-air movie screenings add to its charm.

Jamalapuram Temple

Jamalapuram Temple:

Sri Venkateswara Swamy Temple,Jamalapuram
is one of Telangana's most revered temples, popularly known as "Telangana Chinna Tirupati." The presiding deity, Lord Venkateswara (Balaji), is believed to be Swayambhu (self-manifested). According to legend, Jabali Maharshi performed penance here and received the blessings of Lord Venkateswara. The ancient temple was later renovated by Krishnadevaraya and also houses shrines dedicated to Padmavathi Ammavaru, Alamelu Ammavaru, Lord Shiva, Lord Ganesha, Lord Ayyappa, and Lord Hanuman, making it an important spiritual destination.

kusumanchi

kusumanchi:

Kusumanchi is a historic village and mandal headquarters in the Khammam district of Telangana, located roughly 21 km west of Khammam and about 195 km from Hyderabad. Known historically as Krupamani, it is famed for two magnificent 12th-century Kakatiya-era Shiva temples. The Sri Ganapeshwaralayam and the Mukkanteswaralayam .The temples in Kusumanchi showcase the peak of Kakatiya architecture, bearing striking resemblances to the famous Ramappa and Thousand Pillar templesThe village has recently received significant government funding aimed at fully restoring and developing the area around the Ganapeshwaralayam.

ATTRACTIONS @ KHAMMAM

Kinnerasani Wildlife Sanctuary

Kinnerasani Wildlife Sanctuary:

Kinnerasani Wildlife Sanctuary is a forest located in Bhadradri Kothagudem district, Telangana, India. The wildlife sanctuary is spread over an area of 635.40 km2 (157,010 acres) with the picturesque Kinnerasani Lake with densely forested islands in the middle of the sanctuary. It is 15 km (9.3 mi) from the district's headquarters is in Kothagudem and 25 km (16 mi) from temple town Bhadrachalam.

Palair Lake

Palair Lake:

Palair Reservoir is located at the Palair village in Kusumanchi mandal of the district and is about 30 kilometers away from the district headquarters of Khammam. The lake is a balancing reservoir for the Lal Bahadur Canal, a left bank canal of the Nagarjuna Sagar project. Covering an area of 1,748 hectares, the lake has a storage capacity of 2.5 TMC of water. The lake is an important tourist attraction in the district and water based adventure sports and recreational facilities have been provided at the lake in recent years to develop it as a tourist site. Electrical power is also generated using Palair reservoir water.right now the reservoir is only used for drinking and fishing and irrigation purposes only the water based sports are long gone in 2010.

Nelakondapalli

Nelakondapalli:

Nelakondapally, also referred to as Nelakondapalli or Nela Kondapalli, is a town and headquarters of a mandal in Khammam district, Telangana, India. It is also an archaeological site important to early Buddhism and Hinduism, where excavations have discovered a major stupa site near an ancient manmade lake, another site where Buddhist and Hindu artwork were carved in pre-3rd century India, both sites also yielding hundreds of ancient rare coins with Shaiva and Vaishnava inscriptions from the dynasties of Andhra Ikshvakus and Vishnukundinas. Nelakondapally is also the birth place of Bhakta Ramadasu.

Kallur

Kallur:

Kallur is a census town in Khammam district in the Indian state of Telangana.it is located at 17.2°N 80.55°E. It has an average elevation of 104 metres (341 feet). Very near to Andhra Pradesh state capital Amaravathi, and vijayawada.it is near to Rajahmundry and Eluru towns in AP. Kallur is also border for ts and ap states As of 2001 India census, Kallur had a population of 55,880. Males constitute 51% of the population and females 49%. Kallur has an average literacy rate of 43%, lower than the national average of 59.5%: male literacy is 54%, and female literacy is 32%. In Kallur, 14% of the population is under 6 years of age.

Message from Past President

Dr K. B. NandKishore
President, 2016-17
Telangana Ophthalmological society

During Telangana, Andhra Pradesh partition, I was serving as State General Secretary. It was a tense time with of them taking claims. I equally divided 2.24 crore rupees & the refunds amounts to both associations. I had the privilege to host President of INDIA Dr. A.P.J.Abdul Kalam & Pranab Mukherjee during AIOS tenures

This maybe rewritten as
During the partition of APOS, had tense moments especially while dividing the huge corpus. Overcame multiple challenges to divide both the corpus and much later the accrued refunds equally to both the societies.
Has the unique privilege of looking after the protocol of Dr A.P.J Abdul Kalam and Sri Pranab Mukherjee during two national conferences of AIOS at Hyderabad

Arigato Gozaimasu:
The land of Samurais gave me, my life's turning point. I did my fellowship in Japan & this gave me excellent perspective about Ophthalmology

THE FIRST
Me in association with Dr. Balachander, did the FIRST IOL implantation in Sarojini Devi Eye hospital after we conducted FIRST Global IOL Implantation workshop

3 MUSKETEERS
Dr.Manoj Madhur, Dr. Madhukar & me conducted MINI-CPD programs in districts during my tenure as President . 4 MINI CPDs were conducted in 1 yr.

AGRAJUDU
My elder brother, who is also a doctor was my inspiration for getting into medicine

141/145
That's my score in EAMCET but Ophthalmology seat still eluded me , which was heart breaking to say the least. I couldn't believe the news that got a medicine seat in Kurnool medical college.I went through the list , confirmed & reconfirmed. This will go down as the happiest moment of my professional life.

'IF YOU TAKE OPHTHALMOLOGY, YOU WILL GO A LONG WAY'
These words from Badrinarayana sir, were the ones that propelled me towards Ophthalmology. Dr.Musalappa Reddy, Dr.A.V.Narasimha Rao's encouragement during my PG days fortified my career path

MEMOIRS OF LEADERSHIP
During Telangana, Andhra Pradesh partition, I was serving as State General Secretary. It was a tense time with of them taking claims. I equally divided 2.24 crore rupees & the refunds amounts to both associations .I had the privilege to host President of INDIA Dr. A.P.J.Abdul Kalam & Pranab Mukherjee during AIOS tenures

Message from Past President

Dr. Hari Kishan Gorityala

President, 2014-15

Telangana Ophthalmological society

Dr. HARI KISHAN GORITYALA

His ambition is to provide institution-level services in Karimnagar.

AWARDS:
Dr. Raghavachari Gold Medal 2004. Dr. Shiva Prasad Hardia Gold Medal 2007.
Dr. Malleswar Rao Oration Gold Medal 2014. Best President IMA 2014 & 2015.
Founder President T.S.O.S. 2015.

MESSAGE:
"Be honest and clean in your practice. Do hard work - there is ono substitute for it. Love your subject, be passionate about it, have zeal to learn, immerse yourself in it and think innovatively. All the best."

Message from Guest of Honour

Dr. Jayaprakash Narayan

General Secretary,
Foundation for Democratic Reforms

Dr Jayaprakash Narayan is a physician by training and served as a member of the Indian Administrative Service for 16 years. He had a tremendously successful tenure and held many important positions in the government of South Indian state of Andhra Pradesh. During the course of his service, he acquired deep insights into the Indian governance process and the problems afflicting the nation.

Convinced of the need for radical reforms to transform Indian governance process, Dr Narayan left the civil services in 1996 and with like-minded colleagues founded the Foundation for Democratic Reforms (FDR) and Lok Satta - a people's movement for governance and political reforms. Since then Foundation for Democratic Reforms (FDR) and Lok Satta have emerged as the leading civil society initiatives for governance reforms. FDR and Lok Satta have played a crucial role in driving several reforms over the years, and are now focused on true federalism and effective and accountable local governments, rule of law, education, healthcare and agriculture. Dr Narayan served as a member the National Advisory Council (NAC), Second Administrative Reforms and Vigilance Advisory Council.

Dr Narayan is the General Secretary, Foundation for Democratic Reforms

Message from Guest of Honour

Smt. Puvvada Jayasree

Secretary, MES

Dear Delegates, Ophthalmologists, Academicians and Esteemed Guests,

It gives me immense pleasure to extend my warm greetings and welcome to all the participants of the **11th Telangana State Ophthalmological Conference – STAMBHADRI EYECON 2026**, being organized on **17th - 19th July 2026 at Mamata Medical College, Khammam.**

We are truly honoured that Mamata Medical College is associated with this prestigious state-level academic conference. This scientific gathering provides an excellent platform for the exchange of ideas, clinical experiences and professional expertise in the field of ophthalmology. I am confident that the deliberations during this conference will contribute meaningfully to academic advancement, research orientation and improved standards of patient care.

Mamata Educational Society has always been committed to the promotion of quality medical education, healthcare services and professional excellence. Conferences of this nature not only enrich scientific knowledge but also strengthen professional bonds, inspire collaboration and encourage young doctors to serve society with dedication and compassion.

I extend my hearty congratulations to the **Telangana Ophthalmological Society and the Khammam Ophthalmic Association** for organizing this important academic event. I convey my best wishes to the organizers, faculty, speakers and participants for a productive, insightful and memorable conference.

I wish **STAMBHADRI EYECON 2026** a grand success.

Warm regards,
Smt. Puvvada Jayasree

DR. AITHARAJU RAVINDRA ORATORS 2026
