Message from the Scientific Committee Telangana Ophthalmological Society

Three Years… Three years is a long time for a new scientific society to take root and start to acquire an identity and a standing on the national stage, but then again, three years is a short time for a scientific society to grow to be among the best in the country.

Both our annual meetings in 2015 and 2016 showed that the members of the TSOS were keenly interested in this journey and have shown great spirit and interest in making these events successful.

The 2nd TSOS at Hyderabad will be a tough act to follow as we were blessed with the presence of a galaxy of speakers and some amazing facilities and kudos to the local organizing committee for pulling off a spectacular event.

This year, we have an equally exciting event with 156 submissions, which have been categorized as 36 paper presentations, 60 posters, 10 videos and close to 40 instruction courses/symposia/master classes. The focus of this years meeting is on cataract surgery and we have some stellar speakers from across the country who will spend time with us.

As usual our skills transfer sessions on Cornea, Glaucoma, Oculoplasty and Retina are a big draw for the post-graduate students and sincere thanks to the leads for these courses as they always are an additional effort.

We have the honor of hosting 4 spectacular orations by L Vijaya, Mohan Rajan, Prashant Garg and Mallika Goyal.

The LOC led by Dr Bharat Kumar has been superlative in their efforts and we are sure this will translate into a memorable event

All of these speakers, sessions, talks, courses and symposia would mean nothing without the involvement of the audience, which is the epi center around which all of these revolve, so come join us and make this program count for you…

Thanking you

Scientific Committee

Lifetime Achievement Award

GVBK Gangadhara Reddy

Having graduated from Osmania University in 1966, Dr.Reddy qualified as an Ophthalmologist in 1970. He joined the A P State medical services during his post-graduation in 1968 and worked in various specialities as Assistant Professor until he became a Civil Surgeon and Professor in 1990. Subsequently, he became the Medical Superintendent of Sarojini Devi Government Eye Hospital and Regional Institute of Ophthalmology, Hyderabad, and retired in June 2001.

His area of interest is Ocular Trauma and he has several publications to his credit on this topic, including a chapter on 'Management of Ocular Trauma', published by OTSI. During his career spanning more than four decades, he presented eighty four papers at the State level and fifty four at National Level Conferences.

He was the co-author of 'Slit-Lamp Sonnets' which won the 'Col. Rangachari Medal' at the AIOS Conference in Kanpur in 1986. He has been the convenor and panelist for twenty nine instruction courses and workshops on Ocular Trauma, Ocular Diagnosis as well as Ophthalmic Photography. He was awarded the 'R. Suryaprasad Rao Medal' in 1999.

Teaching is his passion and with his fine teaching ability, pleasant nature and helpful attitude, he has endeared himself to scores of medical students over the last forty seven years. He is also an appraiser and an examiner for DNB students.

Ophthalmic Photography and audio-visuals are his hobby, and being a member of Ophthalmic Photographers' Society (OIE) U.S.A, he raised this speciality to a very high standard in India. Over the years his photographs and teaching slides have run into the thousands, inspiring others to follow in his footsteps.

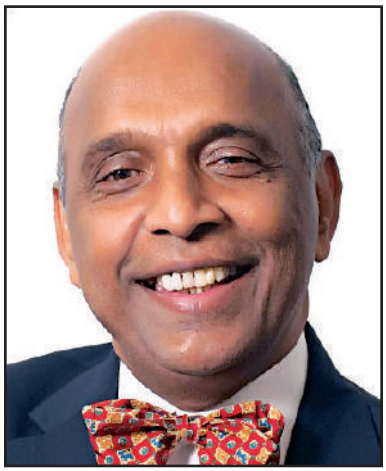

He has held an art exhibition in December 2011 along with artist Ramesh Gorjala titled 'The Eye of Faith' which showcased the fusion of Art and Science, where high definition Slit-Lamp and Fundus photographs were combined with Indian mythological paintings to create a unique blend.

He is a fine sportsman, having represented the All India Civil Services in Cricket and Tennis and winning the National Doubles in AICS Tournament conducted in Chandigarh in 1976. He is an avid traveller with a keen interest in literature and fine arts, making him an interesting speaker.

Guest of Honor

Gullapalli N Rao

Chair, L V Prasad Eye Institute

Gullapalli N Rao founded the L V Prasad Eye Institute in 1987, after a successful career in the United States as an academic ophthalmologist. Dr Rao received his basic medical education in Guntur, Andhra Pradesh, and completed his postgraduate residency training in ophthalmology at the All India Institute for Medical Sciences, New Delhi. He went to the United States in 1974, where he was trained first at Tufts University School of Medicine in Boston, and later at the University of Rochester School of Medicine, where he continued on the clinical faculty until his return to India in 1986. His areas of specialization include diseases of the cornea, eye banking and corneal transplantation, community eye health, eye care policy and planning. He has published nearly 300 papers in national and international journals, and has contributed several book chapters, in addition to serving on the Editorial Boards of several journals . He was a visiting Professor at several Universities in the USA, Europe, Australia and Asia and delivered many named lectures around the world. Dr Rao has been honoured with several international and national awards in recognition of his services to eye care and public health. He also holds several board and leadership positions in prominent national and international organizations and was formerly the Chair and Chief Executive Officer of the International Agency for the Prevention of Blindness (IAPB). He is currently the Chair of the Academia Ophthalmologica Internationalis.

Most recently Dr Rao was inducted into the ASCRS Ophthalmology Hall of Fame, an exclusive club comprising of only 50 of the all time greats in the history of ophthalmology.

From the Presidents Desk

Last year when I took over the reins of our society, I in consultation with president elect, Dr Nand Kishore and Vice President, Dr Madhukar Reddy proposed a three year President's Vision 2016-19 for TOS.

This year we tried to streamline our activities on these lines.

1. The refurbished website www.tsos.co.in is functional giving all information. The process of obtaining the payment portal is on and shall be incorporated soon. Few additional details shall be soon added. It is designed to be a single portal for all TOS needs.
2. The proposal of starting our permanent office at Sarojini Hospital shall crystallize soon.
3. We have formed a TOS PR Committee. Members are requested to seek guidance if needed.
4. The career guidance Cell is now functional. Youngsters can seek guidance if required
5. The Hands on training program is now functional. Please visit our website for details
6. The TOS achievement awards shall roll out from next year. All members cumulatively aggregating a certain number of faculty credits through scientific or administrative contribution over a minimum of 3 years shall be eligible for this award.
7. Any specific cases of quackery can be brought to the notice of the concerned committee and reported to the authorities.
8. The OFWS is running under the aegis of TOS and needs to be propagated energetically.
9. The issue of formation of nonexistent District Chapters of TOS shall be taken up on a priority basis this year by the incumbent President.
10. All of us need to proactively encourage our colleagues to enroll as life members for a more bigger and vibrant TOS.

I thoroughly enjoyed my tenure as President of our August Society and pledge to be always available for its welfare howsoever possible.

Sincere Thanks and Best Wishes

Dr Manoj Mathur
President
2016-17

Incoming President

K B NandKishore
President Elect
Telangana Ophthalmological Society

Time really flies. Already we are into our 3rd State conference.It seems like only yesterday we were into discussing the nitty gritty of the separation into 2 State units.

At the outset let me thank one and all for reposing your confidence in me and electing me to be your next President. I am really overwhelmed. It really is a big task to try and fit into the shoes of my predecessor Dr Manoj.

I Sincerely believe that the president should be the biggest worker for the society and should be a true representative of the aspirations and beliefs of each and every member of the society. I assure you all that I will sincerely aim towards that end. I Will remain open to suggestions from each one of you.

The LOC of Orugallu Eyecon headed by Dr Jadhav and Dr Bharath have worked very hard to make your visit a memorable scientific and social event.As usual Our enterprising Sc committee chairman Dr Pravin Krishna will line up some new scientific experiences for you.

Only a large attendance from you all will make these events lively and memorable.

Hoping to see you all at Warangal positively from 21-23 July.

From the Secretarys' Desk

Greetings to you all. Warangal Ophthalmological Association is really previleged to host this Third Telagana State conference . Being a part of W.OA and LOC I am even more excited to welcome you for this conference.

The second State Conference held at HICC Hyderabad last Year was a big success in view of the scientific content, delegate and trade participation, above all the lavish venue. Everybody applauded the efforts of LOC of H. O. A. and of Dr. Pravin Krishna Chairman - Scientific Committee.

TOS membership tally is now around 900 , needs more efforts on the part of H.O.Ds of all teaching institutions to rope in all their post graduates into the the Society.

Hearty congratulations to our members Dr. Santhosh G Honaver who was elected as Editor - Indian Journal of Ophthalmology and Dr. Mallika Goyal as Member - Scietific Committee AIOS for second term.

This year one ARC workshop was organised by Dr. Rajalingam Chairman- ARC at Sarojini Devi Eye Hospital and one issue of of TOS todaywas released, Dr. Mallika Goyal being the Editor-publications. We are working on making it more frequent and on a regular basis.

A one -day CME on ' Combat Eye Infections' was organised by Dr.V. Sree Kumar as Org. Secretary and Myself as Chairman at Waragal on 22 nd Jan , with the support of ARC-AIOS .

Glucoma Awareness rallies were organised at Hyderabad, Karimnagar and Warangal during the World Glaucoma Week , and Diabetic Retinopathy Screening camps at Warangal and Hyderabad.

TOS is now going to have a permanent office in the premises of Sarojini Devi Hospital.

Thanks to the Superintendent of SDEH and to Dr. Rajalingam for their efforts.

The earlier Website of TOS is going to be revamped with many more features. The process is on and I request all the members to get their details updated at WebMaster Desk provided at the conference trade venue.

Life Member Certificates and ID cards were issued to all Resident and Non Resident Life Members at Hyd conference. If anybody has not collected they can get from TOS desk.

The LOC of W. O. A , under the able guidance of Dr. G.R.Bharat Kumar, Dr. Pandurang Jadhav and Dr. Hardev Kumar along with other members is striving to make the conference a big success. I wish the LOC all the very best in their endeavours and a big success for the conference.

From the Desk of the Chairman, Local Organising Committee

Dr J Pandurang, *Chairman, LOC*
Superintendent, REH, Warangal
Professor & HOD, Department of Ophthalmology
Kakatiya Medical College, Warangal

Dear Friends,

Please accept my warm regards and greetings on the Occasion of **"Orugallu Eye Con 2017"**, 3rd annual conference of Telangana Ophthalmological society, being organized by Warangal Ophthalmologists association at Vaishnavi Grand hotel, Fatima complex Kazipet, Warangal on 21st to 23rd July 2017.

The scientific committee has taken all the efforts to chart out a program that would be addressing recent trends on Ophthalmology. The general theme for this conference is **"Sight in-Sight"**.

We are looking forward to your active participation and hope you will feel benefited with this academic program.

From the Desk of the Local Organising Committee

G R Bharath Kumar, *Organising Secretary, 3rd TOSC*
Associate Professor
Kakatiya Medical College, Warangal
Mail ID: drbhasha@yahoo.com

Dear Colleagues,

It gives us immense pleasure to invite you 3rd TOS conference scheduled from 21st to 23rd July 2017 at Vaishnavi Grand Hotel, Kazipet, Warangal.

Warangal is a historical city, well known for Kakatiya's architectural grandeur like Thousand Pillars temple, Warangal fort, Ramappa & Badhrakali temple and Picturesque lakes like Pakal & Laknavaram.

We welcome you all to Warangal, one of the smart cities of India to serve you an academic feast on recent advances of Ophthalmology and to make your visit and stay a memorable one.

K S Santhan Gopal

President AIOS
President KOS
Bengaluru

Dr K S Santhan Gopal completed his Ophthalmology training from the prestigious Dr Rajendra Prasad centre for ophthalmic sciences New Delhi and was instrumental in setting up the Retina and Squint clinics at Christian Medical College, Vellore in 1982. He later pursued a long and distinguished career at UK, where he worked at the Memorial hospital Darlington and Luton and Dunstable Hospital. Meanwhile he also helped build the Ophthalmology department in Riyadh. Eventually he decided to come back to Bangalore and is actively involved in teaching at the state and national level. He has served the Karnataka Ophthalmic society (KOS) as secretary and is now the President of the society

Dr Gopal served in All India Ophthalmological society as managing committee member and as member scientific committee AIOS and was the local organizing secretary for the AIOS annual conference held in Bangalore in 2008. He was the Associate Editor of the prestigious journal IJO for 3 years. He has received many awards from state society and strabismological societies and has delivered over 400 lectures all over the country on various topics and has conducted many instruction courses for AIOS. He was instrumental (along with Dr Babu Rajendran) in bringing about the electronic voting system, for AIOS elections. Dr Santhan Gopal was elected unopposed as the vice president of AIOS in the year 2015 and is currently the President of the All India Ophthalmological Society.

Lingam Vijaya
Distinguished Senior Consultant
Glaucoma Services, Vision Research Foundation
Sankara Nethralaya
Chennai

Dr Lingam Vijaya is a Distinguished Senior Consultant at the Glaucoma Services, Vision Research Foundation, Sankara Nethralaya and has been a consultant there since 1987. She has also served as an Adjunct Associate Professor and senior clinician at the Singapore National Eye Center, Singapore between 2014 and 2016.

Dr Vijaya has published 138papers, authored ten chapters and delivered 150 lectures. She is also the principal investigator for the "Chennai Glaucoma Study" a "Follow up of subjects with glaucoma, ocular hypertension and narrow angles" and the 'Chennai Eye Disease Incidence Study'.

Dr Vijaya has been awarded numerous orations medals and gold medals for publishing in the IJO and was conferred the Achievement award at the American Academy of Ophthalmology is 2009. She has served as the President of the Glaucoma Society of India and has held various distinguished positions at the World Glaucoma Association, WHO, South East Asia Glaucoma Interest Group and the Glaucoma Research Society.

Mohan Rajan

Chairman & Medical Director, Rajan Eye Care Hospital
Chennai

Dr Mohan Rajan completed his residency from the Medical Research Foundation, Sankara Nethralaya, Chennai and his PhD from the University of Madras. Over the last several years, he has chaired several symposia and presented more than 450 Papers in National and International Ophthalmic Conferences held cross the world. He is credited with performing more than 110,000 cataract surgeries and numerous other specialty surgeries.

Dr Rajan has conducted over 2500 free eye camps in and around Chennai in association with Rotary International and several voluntary organizations.

He has won more national and international awards and orations than can be listed in this brief summary, including achievement awards from the APAO and the AAO. He has served as President of the Indian Intraocular Implant and Refractive Society and is a member of the scientific committee of AIOS.

Dr Rajan has the record for winning the maximum number of OPL awards in a row and is a fantastic speaker and a fabulous entertainer.

Mahipal S Sachdev
Chairman & Medical Director
Centre For Sight
New Delhi

Dr Mahipal. S. Sachdev, Chairman & Medical Director of Centre For Sight was honored with the Padmashri on January 26, 2007. He is a renowned Ophthalmic Surgeon who is recognized for his expertise in the area of Corneal, Refractive & Cataract Surgery, both nationally and internationally.

He pursued his medical education at the graduate and post-graduate level at the prestigious All India Institute of Medical Sciences and was awarded the Best Resident Award during his residency. He later joined AIIMS as a faculty member and completed a Fellowship at Georgetown University, Washington DC, USA

In 1996, Dr Sachdev stepped out of AIIMS with a dream of creating a world class eye hospital and "Centre for Sight" is an outcome of that and is truly a testimony to

Dr Sachdev's spirit of enterprise and vision.

Dr Mahipal Sachdev has been active in imparting surgical training to the larger ophthalmic community and has conducted several live surgery demonstrations in the remotest locations of India He has previously served as the secretary and later president of the Delhi Ophthalmological Society and as the Chairman of the scientific committee of the All India Ophthalmological Society from 1996 to 1999. He is the Indian representative at the Asia Refractive Council and has been active in various international symposia and conferences, where he has conducted courses and presented over 150 papers and has over 100 published articles to his credit. He has authored over 5 books on cataract & Refractive surgery including the first book on phaco by an Indian Ophthalmologist.

He has also received numerous awards and distinctions in India and abroad for his contribution to Ophthalmology.

Dr Mahipal S. Sachdev is a rare combination of a brilliant surgeon, an entrepreneur and above all, a compassionate human being.

Samar Basak

Kolkata

Dr. Samar Basak, MD, DNB, FRCS,is Director and one of the founder members of Disha Eye Hospitals, Kolkata, India. He looks after Cataract, Cornea and External eye diseases, and Eye Bank services. Currently, he is the President, Cornea Society of India and Vice president, Asia Eye Bank Association.

He is the recipient of 10 Gold Medal Awards from AIOS; 8 other Gold Medal oration and prestigious Prof LP Agarwal Oration by AIIMS. Internationally, he has received the "Best of Show" Video Award 4 times and Best Poster Award 4 times in AAO; Best Video Award 2 times in ESCRSand "People's Choice"Best Video Award in ASCRS-2012.He has received "Achievement Award" by AAO in 2008 and APAO in 2011 and Senior Achievement Award by the AAO in 2015.

Dr Basak, an FRCS Examiner, has written 6 text books in Ophthalmology; one on "Ophthaphilately"and 25 publications in peer-review journals. He is currently the reviewer of 9prestigious peer-review journals.

He is a bulk Phaco surgeon @2500/year and Keratoplasty (PK/DALK/DSEK/DMEK/Boston KPro) close to 400/year. He is involved with teaching and training program (Phaco/SICS; and DSEK/DMEK/Boston Kpro1 Skill Transfer Course) in India and South East Asia region.

Harshul Tak

Director & Chief Surgeon, Rawat Eye & Phaco Surgery Centre, Jaipur
Director, Jaipur Laser Vision Centre, Jaipur

Dr Harshul Tak from Jaipur is currently Director and chief Surgeon at Rawat Eye & Phaco Surgery Centre, Jaipur and is Director – Jaipur Laser Vision Centre.

He is currently the Honorary Secretary of the Jaipur Ophthalmological Society and is the assistant Editor of the cataract section of the IJO. Dr Tuk completed his medical education from Dr. S.N. Medical College, Jodhpur, Rajasthan and his residency in Ophthalmology from SMS Medical College, Jaipur, Rajasthan

Dr Tuk is credited with coining the term "Hydroimplantation" in Ophthalmology and published the Technique of Hydroimplantation in "Journal of Cataract & Refractive Surgery" in March 2010 and also in "Cataract & Refractive Surgery Today, Europe" in Oct. 2010. He has won numerous awards in the state society meetings and was awarded the 'Best Paper of Session' award for his Innovative technique of "Port Holes in Anterior capsule for assessment of postoperative rotation of Toric IOL's" at Asia Pacific Association of Cataract and Refractive surgerons meeting held in Oct, 2014 at Jaipur.

He is the recipient of the "Special Gold Medal" and the "Best Cataract and IOL Video" award at the Intraocular Implant and Refractive Society of India in July 2015 at Chennai

Dr Tak has been invited in Various International, National, Regional and State society meetings for Live Surgical demonstrations, Lectures and Instruction courses

He also has the honor of being the only Ophthalmologist from Rajasthan selected 5 times in a row at Vienna 2011, Milan 2012, Amsterdam 2013, LONDON 2014 and Barcelona 2015 to present complicated phaco surgery cases in the most prestigious session of Dr. Rober Osher of USA "Video Symposium of Challenging cases" at the annual conference of "European Society of Cataract and Refractive Surgeons"

He has been conducting the Instruction course on "Mastering Toric Intraocular Lenses for Astigmatism Management" in the Annual Conference of AIOS for last 4 years as Chief Instructor. He specializes in (CO-MICS) Phaco Surgery, Refractive Surgery (LASIK, LASEK), ICL surgery, Toric IOL implantation.

Himanshu Matalia

Superintendent, Senior Consultant in Cornea, Refractive Surgery
Narayana Nethralaya, Bengaluru

Dr. Himanshu Matalia received his medical education from M. P. Shah Medical College Jamnagar. He did his fellowship in Cornea and Anterior Segment at L V Prasad Eye Institute, Hyderabad and later served as a consultant in the same place. He also received training from the Wilmer Eye Institute, Johns Hopkins University, USA and is currently working at Narayana Nethralaya as Medical Superintendent and senior consultant in Cornea, Refractive Surgery & Ocular surface services. He heads the Stem Cell Research Laboratory of Narayana Nethralaya. His expertise includes Laser refractive surgeries, cataract surgeries, laser assisted corneal transplantation, corneal diagnostic devices and ocular surface reconstruction. He has published in various national and international journals and is a reviewer for many international journals.

Deepak Megur
Consultant, Megur Eye Care Centre, Bidar
Head, Cataract and Glaucoma Department, Megur

Dr Deepak Megur MBBS DOMS FRCS Ed completed his post-graduate training in Ophthalmology from Minto Eye Hospital Bangalore in 1998 and FRCS in 1999 from Edinburgh university.

Presently he is consultant at Megur Eye Care Centre, Bidar and heads the Cataract and Glaucoma departments.

He specializes in complex cataract surgeries and has a keen interest in Angle Closure Glaucoma.

He keenly pursues clinical research, academics and has presented scientific research papers in various national and international conferences and is invited as faculty in many State and National level conferences. He also has participated as an instructor in instruction courses2013, 2015 ASCRS meeting, & APAO 2017, AIOC 2015,2017.

He has presented papers posters and videos at ASCRS 2013, 2015, ESCRS 2014, APACRS 2014,APAO 2017, and AIOC conferences.

He has publications in national& state peer reviewed journals and has won numerous state and national awards.

Vikas Khetan

Senior Consultant, Department of Vitreo Retina and Ocular Oncology
Sankara Nethralaya, Chennai

Dr Vikas Khetan is currently Senior Consultant in the Department of Vitreo Retina and Ocular Oncology, Sankara Nethralaya, Chennai

He has more than 100 publications which includes 7 Peer reviewed non-indexed and 93 publications in Peer Reviewed Indexed Journals. He has also written 15 chapters in various books.

He has more than75 presentations in International Conferences, 40 presentations in National Conferences and has given invited lectures and talks in more than 50 conferences. He is recipient of several awards including the “senior achievement award” from the American Academy of Ophthalmology (2013) and achievement award of Asia Pacific Academy of Ophthalmology 2013.

His current field of work covers the cornea and anterior segment, cataract, and eye banking with infectious diseases as the area of special interest.

Harikishen Gorityala Oration 2017

Surgery for Vascular Retinal Detachments

Mallika Goyal, *MD, DNB*
Senior Retina-Vitreous Surgeon & Uveitis Consultant,
Apollo Health City, Hyderabad
Vice President, Hyderabad Ophthalmologists Association

Dr Mallika Goyal completed her residency from the Dr Rajendra Prasad Center for Ophthalmic Sciences, New Delhi and currently serves as senior Retina-Vitreous Surgeon & Uveitis Consultant, Apollo Health City, Hyderabad

She has won many awards including the Senior Honor Award from the American Society of Retina Specialists and has been an invited speaker at various international conferences. Dr Goyal has been invited as chief Instructor of various courses at several International and National Conferences and has been the senior editor of the Retina Image Bank at the American Society of Retina Specialists. She has been on the scientific committee to the All India Ophthamological Society since 2012 and is currently the editor of the journal of the Telangana Ophthalmological Society/

Dr Goyal has served as the chair of the scientific committee of the Andhra Pradesh Ophthalmological Society and is current Vice President of the Hyderabad Ophthalmologists Association.

AWARDS @
2nd TSOS Annual Meeting
2016, Hyderabad

1. P Ramchander competitive free paper session
Winner: SwathiKaliki, L V Prasad Eye Institute, Hyderabad
Membership No: 442
Title: Recombinant Interferon alfa 2b for ocular surface squamous neoplasia: An efficient and cost-effective treatment modality in Asian Indian patients

2. NS Reddy competitive free paper session for post graduates and residents
Winner: Chiranjeevi Chowdary P, Sarojini Devi Hospital, Hyderabad
Membership No: 780
Title: A Clinical Profile of eyelid tumors in a tertiary care hospital

3. Manoj Mathur Poster session
Winner: Muralidhar R, L V Prasad Eye Institute, Hyderabad
Membership No: 764
Title: The Functional Success of Descemets Stripping Endothelial Keratoplasty (DSEK) In Pediatric Age Group: 8 Years Of Our Experience

4. Swarup Video Session
Winner: Santosh Honavar, Center for Sight, Hyderabad
Membership No: 526
Title: Orbital floor fracture repair simplified

5. VV RamanaRao Grand Rounds
Winner: Ketaki Gaitonde, L V Prasad Eye Institute, Hyderabad
Membership No: 834
Title: Looks like Glaucoma, Fields like Glaucoma...but is it glaucoma

6. Gangadhar Reddy Quiz
Winners: ShailajaCinnam, ShrutiGajula, Chiranjeevi Chowdary P, SDEH, Hyderabad
Runners up: Shweta B, Saudhamini Shiguru, Sai Shreya Thandra, SDEH, Hyderabad

Skills Transfer Sessions
July 21, 2017

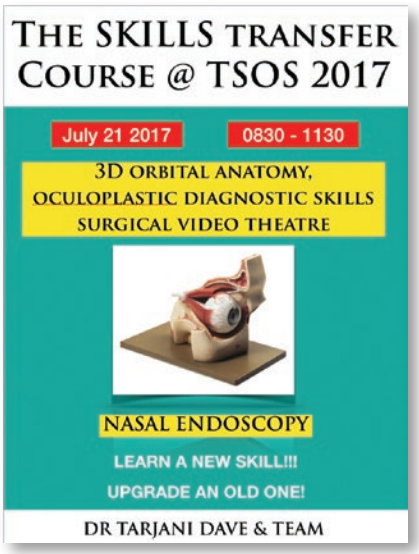

Hall B&C 0830 - 1130

3rd Telangana Ophthalmological Society Annual meeting

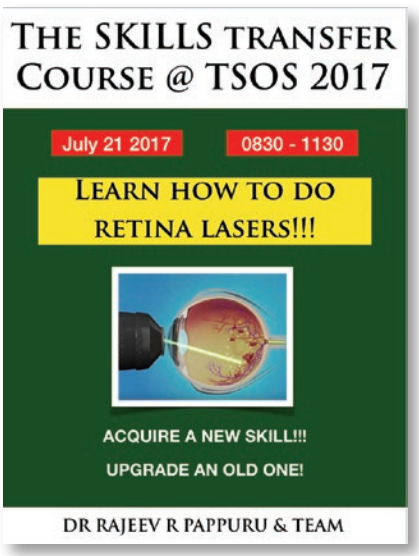

July 21 - 23, 2017

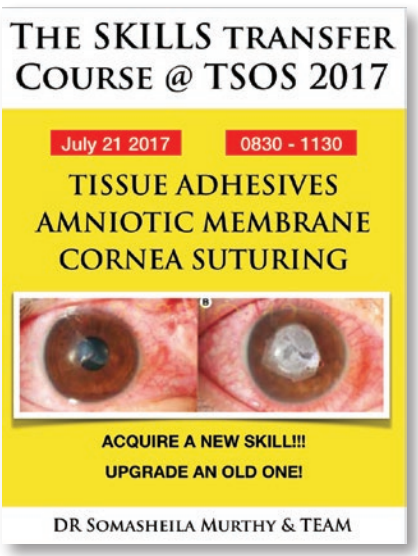

Hotel Vaishnavi Grand, Warangal, Telangana

Friday, July 21

Scientific Program
Day 1
July 21, 2017

Day - 1

Friday, July 21, 2017

0800 – 0900 **Registration**

Hall A

0900 – 1000 **Masterclass: Biometry**

Chair: Deepak Megur
Co Chair: Harshul Tak
Moderator: Jagadesh Reddy

0900	0907	Getting it right - Keratometry	Annapurna C
0908	0920	The Ultrasound Biometry- Applanation & immersion A-scan techniques - Pearls & pitfalls	Deepak Megur
0921	0930	The Optical Biometry	Jagadesh Reddy
0931	0940	Choosing the right formula	Harshul Tak
0941	0950	Post Op refractive surprise- How to avoid the common pitfalls..?	Deepak Megur
0951	1000	Discussion	All

Hall B

0830 – 1130 **Skills Transfer Course**

Cornea: Somasheila Murthy
Oculoplasty: Tarjani Dave
Glaucoma: Siddharth Dixit

Hall C

0830 – 1130 **Skills Transfer Course**

Retina: Rajeev R Pappuru

HALL A

1000 – 1130 **P Ranga Reddy Clinical Challenges**

Chair: Madhukar Reddy K
Co Chair: Vijay Kumar
Moderator: CV Gopal Raju

1000	1008	Traumatic cataract management in the presence of preexisting pcr	Mohan Rajan
1009	1017	Clinical Challenge	Sujata Mohan
1018	1026	Clinical Challenge	Samar Basak

1027	1035	Late post cataract surgery inferior corneal edema	C.V. Gopal Raju
1036	1044	Clinical Challenge	V. Sambasiva Rao
1045	1053	Clinical Challenge	Rishi Swarup
1054	1102	Post DSEK Candida infection	K. Madhukar Reddy
1103	1111	Subluxated Intumuscent cataract (Secondary to trauma) with pre-existing Vitreous prolapse through the area of zonular dehiscence in a 65 year old patient	Deepak Megur
1112	1120	Devastating vitreous haemorrhage	Mallika Goyal
1121	1130	Discussion	

HALL A

1130 – 1200 **P Siva Reddy Oration**

Pseudoexfoliation - prevalence,natural history and treatment options — Lingam Vijaya

Chair: Manoj Mathur

HALL A

1200 – 1230 **Rustom Ranji Oration**

The problem of antimicrobial resistance and solutions — Prashant Garg

Chair: Nandkishore Kidambi

HALL A

1230 1330 **Inauguration**

HALL A

1400 – 1530 **Symposium: Oculoplasty**

Chair: Tarjani Dave

Co Chair: Anasua Ganguly

Moderator: Nirav Raichura

1400	1406	Introduction of topics and speakers	Tarjani Dave
1407	1418	Ocular surface tumors: the role of interferons	Prerana Tahiliani
1419	1430	Eyelid tumors: when to worry and when not	Nirav Raichura
1431	1442	Eyelid tumors: The role of chemotherapy and eyelid reconstructive surgery	Anasua Ganguly

1443	1454	Nuances in evisceration with implant	Tarjani Dave
1455	1506	Non Endoscopic Endonasal DCR	Anasua Ganguly
1507	1518	Sclerotherapy and its application in eyelid and orbital diseases	Tarjani Dave
1519	1530	Discussion	All

HALL B

1400 – 1530 VAST

Chair: Giridhar Bellamkonda
Co Chair: Pandurang Jadhav
Moderator: Harshul Tak
Moderator: Deepak Megur

1400	1410	Penetrating Keratoplasty	Somasheila Murthy
1411	1420	DALK	Rishi Swarup
1421	1430	DSAEK	Jagadesh Reddy
1431	1440	DMEK	Samar Basak
1441	1450	Phakic IOL	Somasheila Murthy
1451	1500	Making great surgical videos	Deepak Megur
1501	1510	Active fluidics	Sharat Babu
1511	1520	Multifocal IOLs	C V Gopal Raju
1521	1530	Torics and Multifocal Toric IOLs	Sujata Mohan
1531	1540	Pre Loaded IOLs	Mohan Rajan
1541	1550	Intumescent cataract	Deepak Megur
1551	1600	Posterior Polar Cataract	Harshul Tak
1601	1610	Femtosecond LASIK	Jagadesh Reddy
1611	1620	A safer way to do Trabeculectomy	Siddharth Dixit
1621	1630	Glaucoma Implant Surgery	Siddharth Dixit
1631	1640	Don't Judge too Quickly	Harshul Tak
1641	1650	External DCR simplified	Tarjani Dave
1651	1700	Evisceration with implant	Tarjani Dave
1701	1710	Traumatic Cataract	Akshay Badakere
1711	1720	Vitrectomy in Endophthalmitis	Avinash Pathengay
1721	1730	Endoscopic Retinal Surgery	Rajeev R Pappuru

HALL C

1400 – 1530 Endophthalmitis - Tips & Tricks for General Ophthalmologists

Chair: Sandeep Bachu
Co Chair: Padmaja Kumari Rani
Moderator: Mallika Goyal

1400	1415	Sterilization and re-processing of surgical instruments - Myths & Facts	Deepak Megur
1416	1425	Diagnose and Differentiate: Reaction Vs Infection	Sandeep Reddy G
1426	1435	Intravitreal injections: Choice of Antibiotics, Timing, Technique	Vishal M
1436	1450	Vitrectomy: Rationale , Timing , Technique and Extent	Padmaja Kumari Rani
1451	1500	Post Anti VEGF Endophthalmitis	Sandeep Bachu
1501	1515	Late onset and Fungal Endophthalmitis	Mallika Goyal
1516	1530	Discussion	All

HALL A

1530 – 1700 Symposium: Uvea

Chair: Somasheila Murthy
Co Chair: Mallika Goyal
Moderator: Rajeev R Pappuru

1530	1545	Case-based approach in anterior uveitis	Somasheila Murthy
1546	1556	Scleritis: Infective and Non-Infective	Somasheila Murthy
1557	1607	Intermediate uveitis made easy	Abhilasha Baharani
1608	1623	Granulomatous uveitis including presumed ocular TB	Rajeev R Pappuru
1624	1634	Unravelling mysteries in Posterior uveitis	Mallika Goyal
1635	1645	Panuveitis: diagnosis and management	Mallika Goyal
1646	1700	Masquerades	Rajeev R Pappuru

HALL C

1530 – 1700 Demystifying keratitis –Taming the bugs

Chair: Arjun Srirampur
Co Chair: Samar Basak
Moderator: Prashant Garg

1530	1540	Importance of microbiological evaluation in keratitis	Srinivas Prasad K
1541	1550	Understanding the clinical signs in diagnosis	Arjun Srirampur
1551	1600	Adjuvants in the diagnosis	Purvasha Narang
1601	1610	Simple Surgical options in the management	Somashiela Murthy
1611	1620	Complex Surgical options in the management	Samar Basak
1621	1630	Post surgical infectious keratitis	Prashant Garg
1631	1640	Sterile, Non infectious keratitis	Charuta Puranik
1641	1650	Spot the diagnosis - Quiz for the audience	
1651	1700	Discussion	

HALL A

1700 – 1800 Madiraju Ashok Symposium: Complications

Chair: Sharat Babu C
Co Chair: Madiraju Ashok
Moderator: Harshul Tak

1700	1707	Case 1	Mohan Rajan
1708	1715	Case 2	Harshul Tak
1716	1723	Case 3	CV Gopal Raju
1724	1731	Case 4	Sujata Mohan
1732	1739	Case 5	Sambasiva Rao V
1740	1747	Case 6	Samar Basak
1748	1755	Case 7	Sharat Babu C
1756	1800	Discussion	

HALL C

1700 – 1800 **Basic Glaucoma Diagnostics**

Chair: Manoj Mathur

Co Chair: L Vijaya

Moderator: SA Hussian Naqvi

1700	1712	Nuances of Disc evaluation	Venkat Ratnam P
1713	1724	Structural correlation of Disc with OCT	SA Hussain Naqvi
1725	1736	Functional correlation of Optic Disc and RNFL with Fields	Manoj Mathur
1737	1748	Structural and functional correlation in Glaucoma, a case series	L Vijaya
1749	1800	Discussion	All

Scientific Program
Day 2
July 22, 2017

Day - 2
Saturday, July 22, 2017

Hall A

0830 – 1000 **Symposium: Glaucoma**

Chair: Lingam Vijaya
Co Chair: Sathi Devi
Moderator: Sirisha Senthil

0830	0833	Introduction	Sirisha Senthil
0834	0843	Unlocking the new Treatment possibilities in Glaucoma.	Sathi Devi
0844	0851	Step by step SICS trabeculectomy!	Rashmi Krishnamurthy
0852	0859	Step by step Phaco trabeculectomy!	Hussain Naqvi
0900	0907	Phaco trab in difficult situtations!	Lingam Vijaya
0908	0915	When do i consider combined surgery?	Sathi Devi
0916	0923	When do i do cataract surgery alone?	Swathi Badakare
0924	0931	Is there a role for cataract surgery with MIGS our country?	Sirisha Senthil
0932	0941	Post Phaco trabeculectomy low IOP and High IOP: how do you evaluate and manage?	Lingam Vijaya
0942	1000	Discussion	

Hall B

0830 – 1000 **All You Want to Know: Corneal Topography**

Chair: Himanshu Matalia
Panelist: Mahipal Sachdev
Panelist: Sujatha Mohan
Panelist: CV Gopal Raju
Panelist: Ashish K Bansal
Panelist: Jagadesh Reddy

Hall C

0830 – 1030 **Swarup Video Session**

Chair: Pradeep Swarup
Co Chair: Samatha G
Co Chair: Deepak Megur
Co Chair: Mallikarjun BV

830	840		
841	850	Cornea Plana: Diagnosis and Management	Pratik Gogri
851	855	Discussion	
856	905	Pointers to Schlemm's canal	Rashmi Krishnamurthy
906	915	Glaucoma drainage implant in an eye with pre-existing scleral buckle and secondary glaucoma	Rashmi Krishnamurthy
916	920	Discussion	
921	930		
931	940	Is Reverse, Right?	Swathi V Badakere
941	945	DISCUSSION	
946	955	Transconjunctival Orbitotomy	Santosh G Honavar
956	1005	Surgical Management of Blepharophimosis	Santosh G Honavar
1006	1010	DISCUSSION	
1011	1020	Systemic step by step guide to manual endothelial keratoplasty (DSEK)	Charuta Puranik
1021	1030	Management of congenital glaucoma associated with Stickler Syndrome	Anil Kumar Mandal
		Discussion	

Hall A

1000 – 1130 **Symposium: Cornea**

Chair: Aashish K Bansal

Co Chair: Samar Basak

Moderator: Himanshu Matalia

1000	1012	Dry eye management: Current paradigms	Somasheila Murthy
1013	1024	Penetrating keratoplasty: How much relevant is it today	Sujata Mohan
1025	1036	Endothelial keratoplasty: Current status	Samar Basak
1037	1048	Femtosecond laser assisted corneal surgery	Himanshu Matalia
1049	1100	Corneal collagen crosslinking: Current indications and protocol	Varun Malhotra
1101	1112	Vernal keratoconjunctivits: Management options	Aashish K Bansal

Hall B

1000 – 1130 **All You Wanted to Know about Phaco Techniques**

Chair: Mohan Rajan
Panelist: Mahipal Sachdev
Panelist: Harshul Tak
Panelist: Deepak Megur
Panelist: Sujata Mohan
Panelist: Madhukar Reddy K
Panelist: CV Gopal Raju
Panelist: Jagadesh Reddy

Hall C

1030 – 1130 **Master Class: Retinopathy of Prematurity**

Chair: Padmaja Kumari Rani
Co Chair: Satish Agraharam
Moderator: Tandava Krishna

1030	1040	Revisiting ROP Pathogenesis and classification	Tandava Krishna
1041	1050	Explaining the formula of Time = Vision in ROP	Satish Agraharam
1051	1100	Medical management of ROP	Padmaja Kumari Rani
1101	1110	Surgical management of ROP	Divya Balakrishnan
1111	1130	Discussion	

Hall A

1130 – 1200 **Ravi Kumar Reddy Oration**

Combining Technology & Technique For Suprahard Cataracts — Mohan Rajan

Chair: Ravindra Aitharaju

Hall A

1200 – 1230 **Harikishen Gorityala Oration**

Surgery for Vascular Retinal Detachments — Mallika Goyal

Chair: Pravin Vaddavalli

Hall A

1230 – 1330 AIOS ARC Symposium: Cataract

Chair: Santhan Gopal
Co Chair: Mahipal Sachdev
Moderator: Harshul Tak
Panelist: Mohan Rajan
Panelist: Samar Basak
Panelist: Deepak Megur

1230	1238	Looking beyond vision post cataract surgery, the unmet need	Rishi Swarup
1239	1246	Cataract Surgery: Past Present & Future	Krishna Prasad R
1247	1251	Panel discussion	All
1252	1254	Complication related to Biometry-Refractive Surprise	Deepak Megur
1255	1257	Discussion	Panel
1258	1300	Complication related to Rhexis	Harshul Tak
1301	1303	Discussion	Panel
1304	1306	Complication related to Hard Cataract/Soft Cataract/Small Pupil	Murali Aasuri
1307	1309	Discussion	Panel
1310	1312	Complication related to Subluxation	Jagadesh Reddy
1313	1315	Discussion	Panel
1316	1318	Post LASIK Cataract Surgery	Himanshu Matalia
1319	1321	Discussion	Panel
1322	1330	Panel Discussion	All
1330	1400	BREAK	

Hall B

1230 – 1330 Technology in Ophthalmology

Chair Anthony Vipin Das
Co Chair Prashant Gupta
Moderator Manish Gupta

1230	1238	The eyecare of Now!	Anthony Vipin Das
1239	1246	MINE and Ophthalmology	Prashant Gupta
1247	1254	Machine Learning in Ophthalmology	Manish Gupta
1255	1303	Prediction of Refractive Error using Machine Learning	Pavan Verkicharla
1304	1319	Holo Eye Anatomy DEMO	
1320	1330	Discussion	

Hall C

1230 – 1330 Vergence & Accomodation Mechanism, Anomalies And Management

Chair: R Hanumatha Reddy
Co Chair: Vidyavathi M
Moderator: Ramesh Kekunnaya

1230	1235	Introduction	R Hanumatha Reddy
1236	1250	Basic Concepts	Ramesh Kekunnaya
1251	1303	Assessment ,investigations & differential diagnosis	Vidyavathi M
1304	1316	Non Surgical & medical management	R Hanumatha Reddy
1317	1329	Surgical Options	R Hanumatha Reddy

Hall A

1400 – 1500 AIOC ARC Symposium: Glaucoma

Chair: Lingam Vijaya
Co Chair: Manoj Mathur
Moderator: Sirisha Senthil
Panelist: P Venkatrathnam
Panelist: Balu Garudadri

1400	1408	Glaucoma Equation: A case based discussion on how to manage a progressing patient	Lingam Vijaya
1409	1416	Glaucoma Surgeries Pitfalls & Future Looks Bright	Balu Garudadri
1417	1421	Panel discussion	All
1422	1424	Switching over from Medical Therapy to Filtration Surgery	Hussain Naqvi
1425	1427	Discussion	Panel
1428	1430	Use of Anti metabolites and Releasable Suture	Lingam Vijaya
1431	1433	Discussion	Panel
1434	1436	Post Trab-Hyphema/Shallow AC	Sirisha Senthil
1437	1439	Discussion	Panel
1440	1442	Uncontrolled IOP-Post Trab	Sathi Devi
1443	1445	Discussion	Panel
1446	1448	Ocular Hypertension /Normotensive Glaucoma Management	Manoj Mathur
1449	1451	Discussion	Panel
1452	1500	Panel discussion	All

Hall B

1400 – 1530 Clinical Pearls

Chair: L Vijaya
Co Chair: Himanshu Matalia
Moderator: Avinash Pathangey

1400	1415	Clinical pearls in Glaucoma	L Vijaya
1416	1430	Clinical pearls in cataract and refractive surgery	Himanshu Matalia
1431	1445	Clinical pearls in Oculoplasty	Tarjani Dave
1446	1500	Clinical pearls in Cornea	Jagadesh Reddy
1501	1515	Clinical pearls in secondary Glaucoma	Sirisha Senthil
1516	1530	Clinical pearls in Retina	Avinash Pathengay

Hall C

1400 – 1530 P Ramchander Competitive Feee Paper Session

Chair Santhan Gopal
Co Chair Samar Basak
Co Chair Mohan Rajan
Co Chair Rajalingam V

1400	1405	Quality of Pediatric cataract surgery- A comparison of surgical techniques between Pediatric Ophthalmology Consultants and Pediatric Ophthalmology fellows in training- A video based analysis	Akshay Badakare
1406	1410	Simultaneous management of Bullous Keratopathy with Retrofixed Iris Claw lens and Descemet's Stripping Endothelial Keratoplasty	Arjun Srirampur
1411	1415	Combined pars plana vitrectomy with Iris Claw lens in management of posterior dislocated cataract or IOL	Lakshmi Yamini I
1416	1420	No suture no glue CLAG of 2 clock hours following pterygium excision in rural based population	Madhura KS
1421	1425	Discussion	
1426	1430	Orbital implant migration – are we thinking correctly?	Tarjani Dave
1431	1435	Challenges in screening programs for Retinopathy of Prematurity	Sai Kiranmayee P
1436	1440	Glaucoma in Retinopathy of prematurity	Pashyanthi B

1441	1445	Microsporidial stromal keratitis, a rare cause of long standing infiltrates	Pragnya Rao
1446	1450	Discussion	
1451	1455	Public Knowledge, Attitudes and Practices related to eye diseases in southern India	Srinivasa Reddy P
1456	1500	The Scleral Intraocular pressure measurements by Schiotz can predict Goldmannapplanation readings	Rashmi Krishnamurthy
1501	1505	Profile of Pediatric Glaucoma in a South Indian Tertiary Care Eye Institute	Swathi Badakere
1506	1510	Discussion	
1511	1515	Clinical study of visual prognosis in lens induced glaucoma	Sree Kumar V
1516	1520	Role of supplemental laser for avoiding late adverse sequale in eyes treated with Bevacizumab monotherapy in severe Retinopathy of Prematurity	Vishal MY
1521	1525	Keratoconus in Children - A 10 year retrospective study	Bhavatharini M
1526	1530	Discussion	

Hall A

1500 – 1630 **Symposium: Retina Diagnostics**

Chair: Vikas Khetan

Co Chair: Rajeev R Pappuru

Moderator: Avinash Pathangey

1500	1515	Interpretation of B-scan ultrasonography	Vikas Khetan
1516	1530	Basics of interpreting OCT and OCTA	Satish Agraharam
1530	1545	Clinical applications of Autofluorescence	Rajeev R Pappuru
1546	1600	Understanding Clinical Electrophysiology	Divya Balakrishnan
1601	1615	Clinical pearls in Fundus fluorescein angiogram and ICG	Avinash Pathangey
1616	1630	Discussion	

Hall B:

1530 – 1700 **3D Stereoscopic Oculoplasty Surgery Show**

Chair Santosh Honavar

1	Anatomy of eyelid, lacrimal system and orbit
2	Clinical evaluation of eyelid, lacrimal system and orbit
3	Surgical procedures
A	Entropion
B	Ectropion
C	Congenital ptosis
D	Acquired ptosis
E	Eyelid reconstruction
F	Enucleation with implant
G	Socket reconstruction
H	Orbitotomy
I	Orbital fracture
J	Lacrimal surgeries

Hall C

1530 – 1800 NS Reddy Competitive Feee Paper Session for Post Graduate Students and Residents

Chair: Sujata Mohan
Co Chair: Himanshu Matalia
Co Chair: Harshul Tak
Co Chair: Anand Rao K

1531	1535	Scleral fixated intraocular lens	Keerthi A
1536	1540	CD4 count as a predictor of opportunistic infections in HIV Patients	Asha Jyothi Nanda
1541	1545	A clinical study of early complications (within one week) following intravitreal injections	Kousalya Pavani C
1546	1550	Premalignant changes in Pterygium	Pranitha Aitha
1551	1555	Discussion	
1556	1600	A STUDY OF CLINICAL AND CHANGING SCENARIO IN THE MICROBIOLOGICAL PROFILE OF INFECTIVE KERATITIS	Anusha Thoutam
1601	1605	Significance of ocular manifestations in Systemic lupus erythematosus	Arundhati Dvivedi
1606	1610	OCT Angiography in Best disease	Arushi Gupta

1611	1615	MANAGEMENT AND OUTCOME OF VITRECTOMY IN SEVERE PROLIFERATIVE DIABETIC RETINOPATHY WITH COMBINED RETINAL DETACHMENT	Pragathi Gudeboina
1616	1620	Discussion	
1621	1625	Is good vision in one eye a risk factor for development of Mature Senile Cataract in other eye?	Gogineni Sahitya
1626	1630	CORNEAL TOPOGRAPHY AND REFRACTIVE STATUS BEFORE AND AFTER PTERYGIUM SURGERY	Joash Rijey A
1631	1635	COMPLETE PARS PLANA VITRECTOMY WITH SILICONE OIL TAMPONADE VERSUS CORE VITRECTOMY IN ENDOPHTHALMITIS	Kolipaka Sarangam
1636	1640	Comparison of Peripapillary and Sub-Foveal Choroidal Thickness(CT) in Normal Vs Primary Open Angle Glaucoma (POAG) subjects using Swept Source- Optical Coherence Tomography (SS-OCT	Komma Swetha
1641	1645	Discussion	
1646	1650	OUTCOME OF PHACOEMULSIFICATION IN POSTERIOR POLAR CATARACT	Kranthi Bommidi
1651	1655	Study of Ocular Manifestations Among Road Traffic Accidents With Ocular Injuries	Krishna Chaitanya P
1656	1700	Outcome of corneal collagen cross-linking with riboflavin in keratoconus with reference to endothelial cell count.	Manjula Vanaparthy
1701	1705	Study of relationship between fundoscopic changes of diabetic retinopathy and biochemical parameters in type 2 diabetes mellitus	Divya Pothala
1706	1710	Discussion	
1711	1715	Ocular Cicatricial Pemphigoid: Clinical Characteristics and Outcomes	Saswanthi Mohan
1716	1720	A study on fundus changes seen in long bone fractures	Sharat Chandra BN
1721	1725	Clinical and functional outcome of multifocal intraocular lens in cataract surgery	Sushma A
1726	1730	Discussion Chair:	Pravin Vaddavalli

1731	1735	Anterior segment morphological changes post laser peripheral iridotomy(LPI).	Swathi Reddy
1736	1740	A study on effect of omega3 fatty acids supplementation on dry eye syndrome following cataract surgery	Swathi Sri Annam
1741	1745	A STUDY ON DRY EYES IN PERIMENOPAUSAL FEMALES	Laxmi Priya Pallapolu
1746	1750	Discussion	

Scientific Program
Day 3
July 23, 2017

Day - 3

Sunday, July 23, 2017

Hall A:

0830 – 1000 **Sharat Babu Cataract Symposium**

Chair Rishi Swarup
Co Chair: Harshul Tak
Co Chair: Suresh Kumar P
Moderator: Mohan Rajan

0830	0845	Capsulotomy - complex scenarios	Deepak Megur
0846	0855	Femto Cataract in difficult situations	Mahipal Sachdev
0856	0905	Pediatric Cataract Surgery: tips & tricks	Rishi Swarup
0906	0920	Simplifying complicated cataracts	Harshul Tak
0921	0935	IOL Antics	Mohan Rajan
0936	0945	VERION assisted precision in surgery	Sharat Babu C
0946	1000	Discussion	All

Hall B:

0830 – 1000 **Symposium: Diabetic Retinopathy**

Chair Ajit Babu Majji
Co Chair Vikas Khetan
Moderator Divya Balakrishnan

830	845	Diabetic Retinopathy Screening	Vikas Khetan
846	855	Systemic evaluation in patient of DR	Jyotsna Myneni
856	905	Clinical presentation and classification DR	Sandeep Bachu
906	915	Diagnostic evaluation in DR	Mudit Tyagi
916	925	Lasers in DR and supplemental therapy	Divya Balakrishnan
926	935	DME & Role of Anti VEGFs in DR	Madhu Kumar
936	945	Surgical management of DR	Ajit Babu Majji
946	1000	Discussion	All

Hall C:
0830 – 1000 **Gangadhar Reddy Quiz**
Chair: Mudit Tyagi
Co Chair: Akshay Nair

Hall A:
1000 – 1130 **G Ramachanrda Rao Symposium on Refractive Surgery**
Chair Nandkishore Kidambi
Co Chair Syed Maaz
Moderator Sujatha Mohan

1000	1010	Surface Ablation where do we stand today	Rishi Swarup
1011	1020	Collagen Crosslinking and LASIK current status	Sujatha Mohan
1021	1030	Femto LASIK flap	Varun Malhotra
1031	1045	Femto laser assisted INTACS and Femto DALK	Nitesh Narayan
1046	1100	Phakic IOLS	Mahipal Sachdev
1101	1115	ReLEx SMILE	Syed Maaz
1116	1130	Discussion	All

Hall B:
1000 – 1130 **Challenging cataract surgery**
Chair: Murali Aasuri
Co Chair: Harshul Tak
Co Chair: Nagaraj R
Moderator: Mohan Rajan

1000	1010	Dealing with danger: Posterior polar cataract & Hard cataract	Deepak Megur
1011	1020	Working through a keyhole: Managing the small pupil	Harshul Tak
1021	1030	Tackling the bulge: Cataract surgery in corneal ectasia	Murali Aasuri
1031	1040	Dealing with the hidden: Cataract surgery in corneal opacity	Mahipal Sachdev
1041	1050	Dealing with the uneven: Managing Astigmatism	Himanshu Matalia
1051	1100	Dealing with the dissatisfied: Unhappy patient after premium IOLs	Mohan Rajan
1101	1130	Discussion	

Hall C:

1000 – 1100 **Masterclass: Retinoblastoma**

Chair: Swathi Kaliki

Co Chair: Anasua Ganguly

Moderator: Akshay G Nair

1000	1008	When should I suspect retinoblastoma? : Diagnosis of retinoblastoma	Akshay G Nair
1009	1018	When should I not suspect retinoblastoma? : Differential diagnosis of retinoblastoma	Vikas Khetan
		What do I do next? : The art of treatment of retinoblastoma	
1019	1026	Focal treatment and systemic chemotherapy: When and How?	Anasua Ganguly
1027	1036	Enucleation: When and how?	Prerana Tahiliani
1037	1046	Post-enucleation socket management: When and how?	Tarjani Dave
1047	1056	Newer horizons in the management of retinoblastoma	Swathi Kaliki
1057	1100	Discussion	All

Hall A:

1130 – 1300 **VV Ramana Rao Grand Rounds**

Chair: Vikas Khetan

Co Chair: Mohan Rajan

Co Chair: Venkataswamy D

Co Chair: Venkatratnam P

1131	1135	Secondaries in orbit from thyroid carcinoma	Divya Reddy
1136	1140	Idiosyncrasy- a necessary vigilance	Gaura Chattannawar
1141	1145	LIKE: A New approach to Hyperopia	Bhavatharini G
1146	1150	DISCUSSION	
1151	1155	Interesting case - DLK	Nitesh Narayen
1156	1200	Blebophthalmos after AGV Implantation	Pasyanthi B
1201	1205	Suprachoroidal hemorraghe: bilateral and bizarre	Sashwanthi Mohan
1206	1210	Discussion	
1211	1215	EAR NOSE AND THROAT EXAMINATION IN CASES OFPROPTOSIS.	Thandra Sai Shreya

1216	1220	Perinaud's syndrome	Charul Singh
1221	1225	A case of Lawrence Moon Bardet Biedl syndrome	Yashaswi Pendyala
1226	1230	DISCUSSION	
1231	1235	A rare case of VKH disease	A. Keerthi
1236	1240	An Eye for an Eye and a tooth for a tooth	Tarjani Dave
1241	1245	A Case of megaloblastic anemia with vitreous hemorrhage	Matta Rudhira Reddy
1246	1250		
1251	1255	Discussion	

Hall B

1130 – 1300 Complications in Refractive Surgery

Chair: Nitesh Narayen
Co Chair: P Praveen
Moderator: Sujata Mohan

1130	1140	The Importance of Corneal Topography	Arjun Srirampur
1141	1200	Microkeratome and Interface complications	Nitesh Narayen
1201	1210	Femto LASIK complications	Sujata Mohan
1211	1220	Smile complications	Syed Maaz Mohiuddin
1221	1230	Complications of Phakic IOLs	Mahipal Sachdev
1231	1300	Challenging cases.. and discussion	All

Hall C

1100 – 1200 Masterclass: Developmental Glaucoma

Chair: Anil K Mandal
Co Chair: Swathi Badakere
Moderator: Rashmi Krishnamurthy

1100	1115	Diagnostic evaluation in differential diagnosis	Rashmi Krishnamurthy
1116	1130	Initial surgical treatment and long term follow-up	Anil K Mandal
1131	1145	Management of refractory developmental glaucoma	Swathi Badakere
1146	1200	Panel Discussion and Interaction	

Hall C

1200 – 1300 **Non Competitive Free papers**

Chair Srinivas Prasad K

Co Chair Ravinder K

Co Chair Avinash Pathengay

1200	1205	Risk factors for retinopathy of prematurity among very low birth weight neonates.	Tejashwi Kodedala
1206	1210	Ultrasound biomicroscopy of upper eyelid structures in normal eye lids	Harika Kandukuri
1211	1215	Discussion	
1216	1220	A case of Benign Intracranial Hypertension	Shireesha A
1221	1225	A clinical study of retinitis pigmentosa , its associations and their management: A clinical study	Sardar Mohammed Khan
1226	1230	A study of various types of glaucoma and various modalities of treatment in a medical college	Kapil Naidu
1231	1235	DISCUSSION	
1236	1240	A comparative clinical study of ocular surface disorders in diabetic and non-diabetic persons	Deepika Manam
1241	1245	Spectrum of diseases in Ocular Tuberculosis	Samyuktha Reddy Paidi
1246	1250	Eye screening camp at a tribal hamlet	Hemanth Reddy Vanga
1251	1255	Discussion	

MANOJ MATHUR
POSTER SESSION

1	Sardar Mohammed Khan	A case of Sudden painless bilateral loss of vision without ocular pathology
2	Sardar Mohammed Khan	Roth spots leading to the diagnosis of Adenocarcinoma colon - A case report
3	Kandukuri Harika	Retinal Detachment in Pre Eclampsia-A Case Report
4	Kodedala Tejashwi	Choroidal melanoma with extrascleral extension – A case report
5	Kousalya Pavani	Optic nerve sheath meningioma –A case report
6	Tejaswini M	Ocular manifestations in Alport's syndrome- a case report
7	Nirmala Sudhamala	Weill Marchesani syndrome - A case report
8	Nirmala Sudhamala	Marfan's syndrome - A case report
9	Pranitha Aitha	Orbital Lymphatic Vascular Malformation- A Case report
10	Sai Rupa Sree P	Nanophthalmos – structural changes in posterior segment – Case series
11	Sai Rupa Sree P	A simplified surgical management of monocular elevation deficiency (MED) presenting with secondary hyper deviation
12	Hemanth Reddy Vanga	Bilateral Vogt-Koyanagi-Harada Disease Associated With CMV Infection : A Case Report
13	Hemanth Reddy Vanga	Ectodermal Dysplasia: A Case Report And Review
14	Divya Thatikonda	Congenital Superior oblique palsy with paradoxical abnormal head posture
15	Anil Kumar Baragani	A Rare Presentation Of Isolated Macular Foveoschisis
16	Anisha Deepti KN	Oculocutaneous albinism : a case report
17	Anuja Pasham	Late onset of pseudophakic corneal edema after 12 yrs of phaco surgery
18	Arjun Srirampur	Management of fibrosed descemets membrane detachment (DMD) after uneventful phacoemulsifcation
19	Arjun Srirampur	Partial thickness corneal patch graft for tunnel infection postphacoemulsification ,utilizing the discarded anterior cap of corneal tissue used for an endothelial transplant
20	Anusha T	A Case Report on Eyelid Metastasis
21	Divya Guggilla	Pleomorphic adenoma of the lacrimal gland - A case report
22	Divya Pothala	Secondaries In Orbit From Thyroid Carcinoma

23	Mamatha Reddy G	Chorioretinitis with macular involvement as a manifestation of Rickettsial infection - A case report
24	Juveria Arif	A case of idiopathic polypoidal choroidal vasculopathy (IPCV) with massive subretinal hemorrhage treated by multiple intravitreal injections of Ranibizumab vs Ravicizumab
25	Kapil Naidu	Case Report of Usher's Syndrome
26	Rudhira Reddy Matta	A Case of megaloblastic anemia with vitreous hemorrhage
27	Asha Jyothi Nanda	Hughes retinopathy
28	Tarjani Dave	Orbital and periorbital dermoid cysts: clinical presentation and management outcomes in childhood versus adulthood
29	Pavani P	Central Retinal Artery Occlusion In Young Adults
30	Laxmipriya Pallapolu	Ruptured Suprasellar Epidermoid cyst - Diagnosed after Ophthalmic presentation
31	Megana Peddi	A rare case of unilateral retinitis pigmentosa with bilateral coloboma retina and choroid
32	Sharat Chandra BN	A Case Report On Ocular Myasthenia
33	Shreya Reddy	CASE OF LENTICONUS IN YOUNG PATIENT
34	Sneha Chavan	Comparision Of Efficacy And Safety Of Dorzolamide-Timolol Combination Versus Bimatoprost In Pseudoexfoliation Glaucoma.
35	Sree Ram Charan	A Rare Case of Ocular Toxoplasmosis with Choroidal Coloboma
36	Sree Ram Charan	A Rare Case of Traumatic Sub-periosteal Orbital Hematoma
37	Swapna Bhuvanagiri	An interesting case to report the cause for sudden loss of vision during pregnancy
38	Swapna Bhuvanagiri	Waarden burg syndrome- a case report and review of literature
39	Swathi V Badakere	Icare PRO tonometer in the management of paediatric glaucoma with clear cornea
40	Swathi V Badakere	Can limbal or scleral Tono-Pen intraocular pressure measurements predict Goldmann Applanation Tonometry readings?

41	Swathi Sri Annam	LEBER HEREDITARY OPTIC NEUROPATHY – A CASE REPORT
42	Sree Kumar V	Therapeutic Penetrating keratoplasty at R.E.H,Warangal
43	Sree Kumar V	To study the outcome of a complicated aphakic patient with IRIS CLAW LENS
44	Sree Kumar V	Cataract Surgery in Renal Failure Patient
45	Sree Kumar V	POSTERIOR POLAR CATARACT
46	Saudhamini S	Unusual Presentation Of An Iris Cyst
47	Arushi Gupta	OCT Angiography in Stargardt disease
48	Kavya Konda	To report rare and interesting cases of Waardenburg syndrome type 1 in a family
49	Krishna Chaitanya P	Headache as the only presenting symptom of intracranial space occupying lesion.
50	Raj Kiran M	Outcome of High Volume Phacoemulsification Surgery
51	Tarjani Dave	Demography and clinical presentations and management outcomes in congenital contracted sockets: an Indian study of 311 eyes
52	Gopi Krishna N	Crouzons Syndrome – A Rare Case Report
53	Rashmi Krishnamurthy	Outcomes of Bleb repair for delayed bleb leaks and Sweating blebs
54	Sree Kumar V	A rare case of Conjunctival Stones – A Mystery or Misbelief
55	Tarjani Dave	Outcomes of volume replacement after evisceration and enucleation with implant
56	Srujana Reddy N	A rare case of exudative retinal detachment in pre eclampsia
57	Akhila M	Sturge Weber syndrome with complicated cataract and secondary glaucoma
58	Sahiti Reddy	Duane Retraction Syndrome - A Case report
59	Sahiti Reddy	A rare case of Fundus Albipunctatus
60	Bhavatharini M	Wavefront-Optimized Ablation Versus Topography-Guided Surface Ablation in Myopic eyes - Comparative Study of Visual outcomes
