Dear friends, colleagues, well wishers and the rest,

This is the fourth year running, that we have been able to put together a nice scientific program for the annual meeting of the Telangana Ophthalmological Society and we have thoroughly enjoyed the journey so far. What started as a fledgling society meeting has now emerged as a sought after meeting both for speakers and for attendees.

Over the last few years, we have tried several new variations of the program, including Masterclasses, Audience Oriented Sessions, Skills Transfer sessions, Technology session and a new grand rounds session. All of these have been successful, due to the amazing international, national and state faculty speakers, who have graced the podium over time.

This year on, we have introduced a retrospective points scoring system, to award medals for academic excellence from next year onwards for significant and consistent participation in the scientific program. This should go a long way in encouraging participation and involvement.

I would like to thank the members of the scientific committee, Dr Rishi Swarup, Dr Srinivas Prasad, Dr Samatha G and Dr Ashok Madiraju for all the help and support over the last 4 years. None of what we have done would have been possible without the unstinting support of the Executive Committee and the constant advice of Dr Manoj Mathur, Dr Nandkishore K along with the amazing cooperation from all the local organizing committees. My sincere gratitude to Dr Madhukar Reddy for shouldering the burden this year since I couldn't contribute all the time I would have liked to!

Most gratifyingly, we have witnessed a shift in the interest of the audience with more presence inside the halls each year and some superb submissions for the competitive sessions.

Thank you for all your support and I'm sure the scientific content of the meetings is in safe hands.

Here's to making the annual Telangana Ophthalmological Society meeting, the best in the country… signing off…

Chief Guest

D Balasubramanian Phd

Distinguished Scientist and Director Emeritus
Prof Brien Holden Eye Research Centre

Professor Dorairajan Balasubramanian or "Balu" as he is affectionately known, joined LVPEI's Prof Brien Holden Eye Research Centre in 1998, after an illustrious scientific career, which included positions such as Director, Centre for Cellular and Molecular Biology, and Professor and Dean, University of Hyderabad. He actively works with governments and agencies on issues of science and technology, and is currently the Chairman of the Life Sciences and Biotechnology Advisory Board of the Government of Telangana. He is also currently the Chairman of the Task Force on Stem Cells and Regenerative Therapy of the Department of Biotechnology, India.

He has received many awards from professional and institutional bodies. Notable among them are the Bhatnagar, Ranbaxy, Goyal and FICCI Prizes of India, the Third World Academy of Sciences (TWAS) Award for Basic Medical Sciences and the TWAS Award for Science Diplomacy, the Kalinga Prize for the popularization of science from UNESCO. He was honoured by the Government of India with the Padma Shri in 2002, and the Chevalier de l'Ordre National du Merite from the President of France in 2002. He is an elected fellow of the Science Academies of India, TWAS Italy; the German Academy of Sciences Leopoldina; and the African Academy of Sciences. Prof Balasubramanian's research focuses on the biology of eye diseases. He has over 180 publications in national and international journals and has authored three books.

In January 2016 he retired from the post of Research Director, Prof Brien Holden Eye Research Centre, and continues as a Distinguished Scientist there.

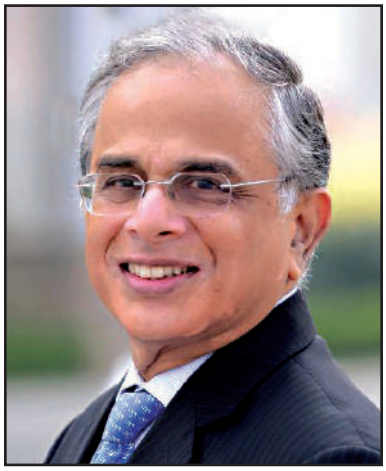

Guest of Honor

Ajit Rangnekar

Director General

Research and Innovation Circle of Hyderabad (RICH)

(Government of Telangana Initiative)

Ajit Rangnekar is the former Dean of the Indian School of Business, Hyderabad (ISB) from January 2009 to December 31, 2015. In 2011, he was appointed as a director of Graduate Management Admission Council, the sole Indian on the team. [3]

Prior to that, he held the position of Deputy Dean at the School from March 2003 to December 2008. Prior to ISB, he was the country head, first for Price Waterhouse Consulting and then for PwC Consulting, in Hong Kong and the Philippines. He was head of the telecom and entertainment industry consulting practice for PwC in East Asia (China to Indonesia). Rangnekar completed his undergraduate degree from the Indian Institute of Technology, Bombay, and his post-graduation in management from the Indian Institute of Management, Ahmedabad.[4]

Dr Rangnekar now serves as the Director general of RICH (Research and Innovation Circle of Hyderabad), Government of Telangana Initiative. RICH is an initiative that has been conceived to unlock the national treasure created by the top scientific research institutions in Telangana State, and to actively facilitate the process of taking their research to market. With his past expertise, Dr Rangnekar is helping RICH to link research institutions, academia and industry along with venture capitalists, angel investors and incubators.

From the Presidents Desk

K B NandKishore
President
Telangana Ophthalmological Society

Its really heartening to see that our fledgling society is 4 years old and we are going to have our 4th Annual conference at SDEH from the 13-15th july 2018.

Thanks to our very dedicated Chairman, Scientific Committee DrPravin Krishna the scientific temper of the society has gone from strength to strength. Today our annual meetings are without doubt acclaimed as among the best.

DrRavinder Goud & DrRajalingam from SDEH along with their team have worked round the clock in putting together a wonderful conference this year. They deserve all the credit.

The term of the first Executive of our Society comes to an end with this conference. I on behalf of my entire team thank each and every member for giving us an opportunity to serve and guide the society in its initial difficult times. We sincerely hope we have lived upto the expectations of one and all.

My advice to the new team which takes over-lets all remember that promoting science is our most important goal and the society is bigger than the individuals. If we remember this there is only one way for the society to go and that is higher and higher.

Wishing the conference a grand success

DrK B Nand Kishore

President Elect

Madhukar Reddy K
President Elect
Telangana Ophthalmological Society

Dear Friends and Teachers,

Namaste,

The purpose of our yearly conferences as you are all aware is to exchange knowledge which is rapidly changing, know what newer products and services are available in the market place to provide better service for our patients and know each other better and strike newer working relationships to face day to day challenges.

This year the scientific committee has put together a comprehensive and wonderful program to cater to our needs.

The society has chosen Sarojini Devi Eye Hospital as the venue this year to help upgrade the institution in a small way so that it will help ignite many a young mind and provide better opportunities for our younger colleagues.

You might not find it luxurious but the local organizing committee is making all out efforts to provide the best ambiance possible. We should all cooperate with them. We already have 450 registrations which is encouraging.

On behalf of TOS, we request all our colleagues to utilize this opportunity, participate and further their academic skills.

Warm regards,

Madhukar Reddy.

From the Secretarys' Desk

Dr Aitharaju Ravindra
Hony gen secretary
Telangana Ophthalmological society

I would like to share a few of the events and achievements that took place during my tenure as Hony. Gen. Secretary as it comes to an end with this conference.

Having taken up the job as First General Secretary of TOS without any knowledge or experience, I feel satisfied with my contribution to our Society.

Our Website TSOS.Co.in is being updated as and when required. Online registrations for conferences, abstract submissions, E- posters , shortly online application for TOS membership, any other communication related to members and many more are being taken care.

Our membership started with 708 at the time of bifurcation is now standing at 957, an addition of 249. This includes an addition of 58 during period between Warangal Conference and till date.

Well furnished TOS office was inaugurated in SD eye Hospital premises. Thanks to the administration of SDEH and for the efforts of Dr. Rajalingam.

This being the election year new Executive Committee will step in after the conference. More and more members are enthusiastic to lead our society to a higher level. Healthy competition among these members augurs well for the society.

LOC of this Conference , under the leadership of Dr. Ravinder Goud as Chairman, Dr. Rajalingam as Org. Secretary and many others is working hard to make this a memorable one.

On behalf of Executive Committee, I wish them all the very best in their endeavours.

See you all at Sarojini Devi Eye Hospital,

Thanking you
Dr A Ravindra

Message from Chairman LOC

Dear friends

This is a great pleasure for me as a organizing committee Chairman and Superintendent of this great Institute in organizing the 4"Telangana ophthalmic annual conference. I am thankful to the TOS and RCA for giving an opportunity to host in the Sarolini Devi Eye Hospital, Hyderabad.

We have made elaborate arrangements to look into the comforts of the all delegates.

I hope the conference will be successful with your co-operation and participation in large numbers.

Thanking you,

Dr S. Ravinder Goud
Superindentent
Sarojini Devi Eye Hospital, Hyderabad

From the Desk of the Organizing Secretary

Dear Colleagues,

On behalf of my chairman Dr S. Ravinder, my adl and co-organising secretaries Dr P Modini, Dr M M Baig and all the members of the LOC, I extend a warm invitation to all the delegates, Trade and all associated with the 4th TOS conference scheduled from 13th to 15th July 2018 at the prestigious Sarojini Devi Eye Hospital, Hyderabad.

Hyderabad is the capital of the youngest state in this country with lot of cultural heritage. Fastest growing state with able and committed state leadership. Sarojini Devi Eye Hospital and institute of post graduation is the largest eye institute in Govt. sector. It has sufficient infrastructure to host conferences of this magnitude.

We welcome you all to the most happening Metropolitan, to serve you an academic feast on recent advances in Ophthalmology, Live surgeries and skill transfers. Wishing you memorable conference.

Dr Rajalingam V
Professor & HOD of Ophthalmology
Osmania Medical College / SDEH
Hyderabad, Telangana State

Dr Shetty completed his residency training from St Johns Medical College, Bangalore and has been trained at University of Mainz, Germany and the University of Irvine, California. His main areas of interest are Refractive Surgery, Keratoconus, Neuro-Ophthalmology, Tele-Ophthalmology, tears, inflammation and biomarkers.

Dr Shetty has over 150 publications in peer-reviewed journals and loves to teach and solve complex problems

Chitra Ramamurthy
Medical Director, Eye Foundation
Coimbatore

Dr Chitra Ramamurthy has been in private practice in Ophthalmology in Coimbatore working with her husband, Dr D Ramamurthy, since 1990. Her areas of expertise are cataract, refractive surgery and glaucoma and she has been abreast with all the premium procedures evolving over the years in each of these segments. She has been a pioneer in Refractive Surgery performing refractive procedures since 1997 in large numbers inclusive of all the cutting edge technology. She has had the special distinction of conducting a variety of instruction courses in both India and abroad, partaking in ASCRS, APAO and APACRS on a regular basis. She has also many papers to her credit and has contributed to chapters in textbooks on Refractive surgeries.

She has received numerous best paper awards in the state and national levels,. Previously, she has been the recipient of the Dr P.R. Mondal Memorial Oration award 2017 by OSWB, 28th Dr D. Sundareswaran Endowment Oration award by IMA Coimbatore chapter 2017, Dr Om Prakash Gold Medal 2016, Dr VinodArora Oration Award 2015 and Dr Subodh Agarwal Gold Medal 2012 at different state and IIRSI conferences.

She is now the Member – Scientific Committee of the All India Ophthalmological Society (AIOS) for the period 2017 to 2020.

She has been involved in many community outreach programs in her city and has been invited to chair many social events and is a voracious reader.

Haripriya Aravind

Head of Department Cataract and IOL service
Aravind Eye Hospital, Chennai

Dr Haripriya Aravind completed her post graduation at Aravind Eye Hospital, Madurai and started her career as a Pediatric Ophthalmologist. She completed a basic research fellowship at Kellogg Eye Center, Michigan, USA. She worked as head of cataract and IOL services at Aravind eye hospital, Madurai for over a decade and currently heads the cataract clinic at Aravind Eye Hospital, Chennai. She has presented at various international forums, published in peer-reviewed journals and written chapters for text books. She has performed live surgery at various national and international conferences. Her area of interest is quality assurance amongst patients undergoing cataract surgery and has developed systems and tools to monitor outcomes following cataract surgery. Clinically her interests include management of subluxated cataracts and complicated cataract surgery. DrAravind has won numerous awards including awards from the American Society of Cataract and Refractive Surgeons and has delivered multiple orations over the last few years.

Krishna R. Murthy *MBBS, DOMS, FMRF, MRCOphth, Ph.D*
Medical Director and Consultant Vitreoretinal Services, Vittala International Institute of Ophthalmology, Bangalore

Dr Krishna Murthy completed his basic medical education from Bangalore Medical College, Bengaluru and then went to complete his residency in Ophthalmology from Minto Regional Eye Institute, Bangalore. He specialized in Retina and Vitreous from the prestigious Sankara Netralaya, Chennai and went on to finish his PhD in proteomics of aqueous and vitreous.

His special areas of interest include Diabetic retinopathy, Retinopathy of prematurity, HIV related eye diseases and proteomics of the ocular structures. He has been instrumental in planning and implementing the mobile diabetic retinopathy and glaucoma treatment unit which takes treatment of these two conditions to rural areas of 16 districts of Karnataka. This initiative was the first of its kind anywhere in the world and it has been replicated in many resource poor settings across nine countries. This initiative was funded by the World Diabetes Foundation. He is also responsible for running one of the largest tele-ophthalmological screening programmes in India for the disease Retinopathy Of Prematurity(ROP), which affects premature neonates. This programme called the "Vittala ROP project" serves semi-urban and rural neonatal intensive care units in 10 districts of south Karnataka. This initiative was awarded the FICCI Health Care award for the year 2013. He has been invited to present his work in many international fora such as World Diabetes Congress in Melbourne, Australia and The World ROP Congress in Shanghai, China. He has 31 published articles in peer reviewed journals and co-authored 2 chapters in a reputed vitreoretinal text book.

Rajesh Sinha *MD, DNB, FIACLE, FRCS*
Professor of Ophthalmology in Cornea, Lens & Refractive surgery services at R. P. Centre, AIIMS, Delhi

Dr Rajesh Sinha is presently working as Professor of Ophthalmology in Cornea, Lens & Refractive surgery services at R. P. Centre, AIIMS.He has done MD Ophthalmology from AIIMS and then did DNB, FIACLE & FRCS and did a fellowship at University of Washington.

Holistic care for children with congenital glaucoma: My 30 year's journey

Anil Kumar Mandal, *MD*

Senior Consultant
VST Glaucoma Service
L V Prasad Eye Institute, Hyderabad

Dr Anil Kumar Mandal is a glaucoma specialist with particular interest and expertise in developmental glaucoma. Drandal was trained at the University of Calcutta and at the All India Institute of Medical Sciences (AIIMS), New Delhi. He completed his fellowships in glaucoma and emergency ophthalmology at AIIMS. He was a visiting research fellow at the Kellogg Eye Care Centre and the Doheny Eye Institute in the United States.

Dr Mandal has won several national and international awards and has published widely in premier medical journals worldwide. His research focuses on the clinical and genetic aspects of glaucoma in adults and children, which earned him the Shanti Swarup Bhatnagar Award for excellence in science from the Government of India in 2003; he was the first Ophthalmologist to receive this award. In 2009 he was elected as fellow of the National Academy of Medical Sciences for his contribution to science and Ophthalmology. DrMandal is synonymous with childhood glaucoma all over the world.

Harikishen Gorityala Oration 2018

"Its never night till you see the dark"

Satish G Agraharam, *MBBS, MS*

Managing Director and Founder
Anand Eye Institute, Hyderabad

Dr Agraharam is a nationally known Vitreo retinal surgeon. He established the first Vitreo Retinal Institute dedicated to the treatment of Vitreo Retinal Diseases in the state of Andhra Pradesh in 2000. With over 18 years of experience as a Retinal surgeon, he has been consulted in and operated on hundreds of cases from all over Andhra Pradesh, Maharashtra, Telangana and Karnataka. Completed his postgraduate training in Vitreo Retina from Sankara Nethralaya, Chennai as the "Best Outgoing Fellow". Won various awards & laurels during his educational years including "Shivareddy Gold medal" in Ophthalmology and "Vengalrao Gold medal" for his paper presentation given by AP Ophthalmic society(APOS).

Passionate about teaching, Dr Agraharam has taught many residents and fellows both at Sankara Nethralaya and at the Sadhuram Eye Hospital for over 7 years. His passion for teaching combined with his expertise in treating eye problems and experience in the establishment of the Viteroretinal institute led him to collaborate with other like minded people and establish the Anand Eye Institute.

AWARDS @
3rd TSOS Annual Meeting
2017, Warangal

1. P Ramchander competitive free paper session
Winner: Tarjani Dave, L V Prasad Eye Institute, Hyderabad
Title: Orbital Implant migration - are we thinking correctly?

2. NS Reddy competitive free paper session for post graduates and residents
Winner: Arushi Gupta, L V Prasad Eye Institute, Hyderabad
Title: OCT angiography in Best disease

3. Manoj Mathur Poster session
Winner: Bhava Tharini M, L V Prasad Eye Institute, Hyderabad
Title: Wavefront optimized ablation vs topography guided surface ablation in myopic eyes - comparative study of visual outcomes

4. Swarup Video Session
Winner: Anil K Mandal, L V Prasad Eye Institute, Hyderabad
Title: Management of congenital glaucoma associated with Stickler Syndrome

5. VV Ramana Rao Grand Rounds
Winner: Divya Pothala, Bhaskar Medical College, Hyderabad
Title: Secondaries in orbit from thyroid carcinoma

6. Gangadhar Reddy Quiz
Winners: Pavani P, Chiranjeevi Chowdary P, Pragathi G Chowdary P, *SDEH, Hyderabad*
Runner up: Laxmipriya P, Charul Singh, Sharat *B Chalmeda Anand Rao Institute of Medical Sciences,* Karimnagar

Scientific Program Overview

	DAY 1 : Friday - July 13				DAY
	HALL A	HALL B	HALL C		HALL A
0800 - 0830	REGISTRATION	REGISTRATION	REGISTRATION	0800 - 0830	
0830 - 0900		Skills Transfer sessions SDEH alumni		0830 - 0900	Glaucoma Symposium Barun Kumar Nayak
0900 - 0930	Multispecialty approach to cataract surgery Pasyanthi B			0900 - 0930	
0930 - 1000				0930 - 1000	
1000 - 1030	P Ranga Reddy Clinical Challenges Mallika Goyal Rishi Swarup			1000 - 1030	ALL YOU WANT TO KNOW Premium IOLs Haripriya Aravind
1030 - 1100				1030 - 1100	
1100 - 1130				1100 - 1130	
1130 - 1200	P Siva Reddy Oration - Rohit Shetty			1130 - 1200	Ravi Kumar
1200 - 1230	Rustom Ranji Oration - Anil K Mandal			1200 - 1230	Hari Kishan
1230 - 1300	INAUGURATION			1230 - 1300	Ethics in Medical practice AA Deshpande
1300 - 1330				1300 - 1330	
1330 - 1400	LUNCH			1330 - 1400	
1400 - 1430				1400 - 1430	
1430 - 1500	Live Surgery	Madiraju Ashok Symposium Preventing Complications Annie Mathai Murali Aasuri	Layer by Layer Keratoplasty Arjun Srirampur	1430 - 1500	Cornea Symposium Rajesh Sinha
1500 - 1530				1500 - 1530	
1530 - 1600				1530 - 1600	
1600 - 1630		IOLs in cases with inadequate PC support Ravi Kumar Reddy	Pediatric Ophthalmology and Strabismus R Hanumanth Reddy	1600 - 1630	Neuroopthalmology Symposium Ramesh Kekunnaya
1630 - 1700				1630 - 1700	
1700 - 1730				1700 - 1730	
1730 - 1800				1730 - 1800	3D Oculoplasty show Santosh Honavar
1800 - 1830				1800 - 1830	
1830 - 1900	MCM in Community Hall			1830 - 1900	
	Past Presidents forum				

2 : Saturday - July 14			DAY 3 : Sunday - July 15		
HALL B	HALL C		HALL A	HALL B	HALL C
	Swarup Video Session	0800 - 0830			
Optimizing Outcomes in cataract surgery **Sharat Babu C**		0830 - 0900	Sharat Babu Refractive Cataract Symposium **Namrata Sharma** **Murali K Aasuri**	Managing complications of refractive surgery **Nitesh Narayen**	Gangadhar Reddy Quiz **Rishi Swarup**
		0900 - 0930			
		0930 - 1000			
ALL YOU WANT TO KNOW ENDOPHTHALMITIS **Krishna R Murthy**		1000 - 1030	G Ramachandra Rao Symposium Refractive Surgery **Jagadesh Reddy** **Nandkishore Kidambi**	Toric IOLs **Chitra Ramamurthy** **RP Challa**	Video Assisted spectrum of glaucoma surgeries **Vanita Pathak Ray**
	Phakic IOLs **Aruna Kumari Gadde**	1030 - 1100			
		1100 - 1130			Pediatric Cataract Surgery Special situtations **Muralidhar Ramappa**
Reddy Oration - Chitra Ramamurthy		1130 - 1200	VV Ramana Rao Grand Rounds	Basic aspects for a good researcher **Tandava Krishna**	
Gorityala Oration - Satish Agraharam		1200 - 1230			Non Competitive free papers
ALL YOU WANT TO KNOW SQUINT **Jyoti Matalia**	Challenging situations in Macular Surgeries **Mallika Goyal**	1230 - 1300			
		1300 - 1330	VALEDICTORY FUNCTION & PRIZES		
LUNCH		1330 - 1400	LUNCH		
		1400 - 1430			
P Ramchander Competitive Free paper session	Aiming for Perfect Asepsis **Meghraj Chitta**	1430 - 1500			
		1500 - 1530			
	NS Reddy PG Free paper session	1530 - 1600			
		1600 - 1630			
Ocular Trauma **P Modini**		1630 - 1700			
		1700 - 1730			
		1730 - 1800			
GBM		1800 - 1830			
		1830 - 1900			

Skills Transfer Sessions
July 13, 2018

Hall B&C 0830 - 1130

4th Telangana Ophthalmological Society Annual meeting

July 13 - 15, 2018

Sarojini Devi Eye Hospital, Hyderabad, Telangana

Friday, July 13

Organizer	**Goli Sridhar**
Organizer	**Superna Mahendra**
GLAUCOMA Skills transfer session	
Instructor	**Pasyanthi Balijepalli**
Instructor	**Syed Asghar Hussain Naqvi**
Instructor	**Nirupama Damarla**
Instructor	**Balu Garudadri**
CORNEA Skills transfer session	
Instructor	**Bhanu Prakash Metukul**
Instructor	**Phani Raj Kathuri**
Instructor	**Vengal Rao P**
Instructor	**Padmavathi Hingolekar**
Instructor	**Vijayalakshmi B**
Instructor	**Vishnu Preethi**
RETINA Skills trasnfer session	
Instructor	**P Sai Kiranmayee**
Instructor	**P Tandava Krishna**
Instructor	**Irfan Faraz**
Instructor	**Jyotsna Myneni**
Instructor	**Pridhu Vyas STS**
Instructor	**Srilaxmi S**
SQUINT & OCULOPLASTY skills transfer session	
Instructor	**Rachna Vinaya Kumar**
Instructor	**Anjali Chandrasekharan**
Instructor	**Vamshidhar Yeramshetty**
Instructor	**Rajyalaksmi R**

Scientific Program
Day 1
July 13, 2018

Day - 1
Friday, July 13, 2018

0800 – 0900 **Registration**

Hall A

0900 – 1000 **Multispecialty approach to cataract surgery**

Chair: Pasyanthi Balijepalli
Co Chair: Krishna R Murthy
Moderator: Aruna Kumari Gadde

0900	0910	Can we go ahead with the surgery? Ask the Plasty specialist	Divya Basa
0910	0920	Wound related complications: Ask the cataract surgeon	Aruna Kumari Gadde
0921	0930	Corneal complications post cataract surgery: Ask the corneal surgeon	Arjun Srirampur
0931	0940	Raised IOP post cataract surgery: Ask the glaucoma surgeon	Pasyanthi Balijepalli
0941	0950	Retinal complications after cataract surgery: Ask the Retina surgeon	Krishna R Murthy
0951	1000	Discussion	All

Hall B & Hall C

0830 – 1130 **Skills Transfer Course**

HALL A

1000 – 1130 **P Ranga Reddy Clinical Challenges**

Chair: Mallika Goyal
Co Chair: Rohit Shetty
Moderator: Rishi Swarup

1000	1012	Biomechanics Measurement boon or bane?	Rohit Shetty
1012	1024	Multiple branch retinal artery occlusions in immunocompromised patient	Krishna R Murthy
1024	1036	Unexplained visual loss: Playing Sherlock!	Jyoti Matali
1036	1048	When the going gets tough	Rishi Swarup
1048	1100	Challenging case of Scleritis	Abhilasha Baharani
1100	1112	Difficulties with IOL implantation	Gopal Raju CV
1112	1124	Unexplained neuroretinitis	Mallika Goyal

Telangana Ophthalmological Society

HALL A
1130 – 1200 **P Siva Reddy Oration**

Question Everything — **Rohit Shetty**

Chair: Nandkishore Kidambi

HALL A

1200 – 1230 **Rustom Ranji Oration**

Holistic care for children with congenital glaucoma: My 30 year's journey — **Anil K Mandal**

Chair: Madhukar K Reddy

HALL A
1230 1330 **Inauguration**

HALL A
1430 – 1800 **LIVE Surgery**
Chair: LV Krishnam Raju
Co Chair: Gopal Raju CV
Moderator: Siddharth Reddy

		Live Surgery 1	LV Krishnam Raju
		Live Surgery 2	Siddharth Reddy
		Live Surgery 3	Susheel Das
		Live Surgery 4 - Panoptix Trifocal IOL	CV Gopal Raju
		Live Surgery 5 - Centurion Vision System + Toric IOL	
		Live Surgery 6 - Signature Pro Phaco	
		Live Surgery 7 - Extended Range of Vision IOL	
		Live Surgery 8 - Eyecryl Active Multifocal	
		Live Surgery 9 - Eyecryl Toric	

HALL B

1430 – 1600 **Madiraju Ashok Symposium - Complications Rewind**

Chair: Annie Mathai
Co Chair: Rajesh Sinha
Moderator: Murali K Aasuri

1430	1440	Secondary IOL in a child: What can go wrong?	Murali K Aasuri
1440	1450	Nucleus Drp	Krishna R Murthy
1450	1500	Epithelial ingrowth following LASIK	Rajesh Sinha
1500	1510	Posterior capsule opacification following pediatric cataract surgery	Jyoti Matalia
1510	1520	Preventing Complications & Failure in Macular Surgery	Mallika Goyal
1520	1530	Ectasia after LASIK	Rohit Shetty
1530	1540	Unacceptable vault after ICL implantation	Rajesh Sinha
1540	1550	Retained lens matter or endophthalmitis?	Mudit Tyagi
1550	1600	Shallow anterior chamber following Trabeculectomy	Vanita Pathak Ray

HALL C

1430 – 1600 **Layer by Layer Keratoplasty**

Chair: Arjun Srirampur
Co Chair: Namrata Sharma
Moderator: Rajesh Sinha

1430	1440	"No Suture Keratoplasty" Superficial Anterior Lameller Keratoplasty (SALK)	Rajesh Sinha
1440	1450	"Saving for the rainy day" - DALK	Nitesh Narayen
1450	1500	"Break the ice" - FALK	Rishi Swarup
1500	1510	"On the Ball " - DSEK	IS Murthy
1510	1520	"Let the cat out of the bag" – Pearls for a successful DSEK	Madhukar Reddy
1520	1530	"The best thing since sliced bread"-Descemet's Membrane Endothelial Keratoplasty (DMEK)	Arjun Srirampur
1530	1540	"Cog in the Machine" Intraoperative OCT guided Lamellar Keratoplasty	Namrata Sharma
1540	1600	Discussion	All

HALL B

1600– 1730 IOLs in cases with inadequate support

Chair: Ravi Kumar Reddy
Co Chair: C V Gopal Raju
Moderator: Sudhakar Potti

1600	1615	Technique of anterior chamber IOL	C Gopal Raju
1615	1630	Scleral Fixation of IOL	Meghraj Chitta
1630	1645	Glued IOL	Divya Balakrishnan
1645	1700	Iris Claw IOL	Sudhakar Potti
1700	1715	Challenges in sulcus placement of IOL	Ravi Kumar Reddy
1715	1730	Discussion	All

HALL C

1600 – 1730 Pediatric Ophthalmology & Strabismus

Chair: R Hanumanth Reddy
Co Chair: Jyoti Matalia
Moderator: B Venkateswar Rao

1600	1612	NAF based I.N.S Analysis A Prior estimation, therapeutic improvements expanding surgical techniques	Rashmin Gandhi
1613	1624	Modern E.O.M sciences - Pulleys kinematics, implications in Transposition Surgeries	R Hanumanth Reddy
1625	1636	Spectrum of Superior oblique anamolies New Classification & suggested surgical procedures.	B Venkateswar Rao
1637	1648	Inferior Oblique surgeries in hypertropias and D.V.D Role of equator.	Ramesh Kekunnaya
1649	1700	Stilling Turk Duanes Syndrome : Is it a perepheral innervational abnormality or Brain Stem abnormality. Possible option in management	Vidyavathi M
1701	1712	Management of complex squint in myopia: Reorientation of drifted pulleys	Jyoti Matalia
1712	1800	Discussion	All

Notes

Scientific Program
Day 2
July 14, 2018

Day - 2
Saturday, July 14, 2018

HALL A

0830 – 1000 **Symposium: Glaucoma**

Chair: Barun K Nayak
Co Chair: Manoj Mathur
Moderator: Kalyani Prasad

0830	0845	Follow up strategy on Perimetry in Glaucoma Management	Syed A Hussain Naqvi
0845	0910	How to incorporate OCT in Glaucoma Management	Barun K Nayak
0910	0925	Treatment philosophy in Glaucoma Management	Manoj Mathur
0925	0935	Which drug and When to Use	Kalyani Prasad
0935	0945	Special situations and Contraindications	Vanita Pathak Ray
0945	1000	Discussion	

Hall B

0830 – 1000 **Optimizing Outcomes in cataract surgery**

Chair: Sharat Babu C
Co Chair: Gopal Raju CV
Moderator: Madhukar Reddy K

0830	0840	Newer Monofocals & Diagnostic Tools for optimising Cataract results	Sharat Babu C
0840	0850	PanOptix IOL's	Nitesh Narayen
0850	0900	Piggyback Sulcoflex lenses	Rishi Swarup
0900	0910	Extended Depth of Focus IOLs	Chitra Ramamurthy
0910	0920	Vivinex IOL's	Namrata Sharma
0920	0930	Getting them straight	Sajid Afzal Ahmed
0930	0940	How to choose a phaco machine for starters	Sharat Babu C
0940	0950	Verion machine – Image guided system	Gopal Raju CV
0950	1000	Practice development in cataract surgery	Madhukar Reddy K

Hall C

0800 – 1030 **Swarup Video Session**

Chair: GVBK Gangadhar Reddy

Co Chair: Rishi Swarup

Co Chair: Jyoti Matalia

0800	0810	Woes of vitreo retina surgery	Sankeert Gangakhedkar
0811	0820	Compromised Posterior Capsule – Will my patient get an IOL today	Raghavender Reddy Arra
0821	0830	Tuck in Keratoplasty (TIK)	Arjun Srirampur
0831	0840	Role of Mitomycin C in endothelial keratoplasty	Muralidhar Ramappa
0841	0850	Buckling the Macula!	Padmaja Kumari Rani
0851	0900	Partial thickness autologous scleral patch graft in the management of fistulae post filtration surgery with Mitomycin C	Vanita Pathak Ray
0900	0910	Injected Mitomycin C and topical phaco trabeculectomy myth or reality	Vanita Pathak Ray
0911	0920	Management of recurrent Aqueous Misdirection by anterior segment surgeon after Pars Plana Vitrectomy	Vanita Pathak Ray
0921	0930	Minimally invasive Phaco-endocycloplasty in Plateau Iris Syndrome	Vanita Pathak Ray
0931	0940	Minimally invasive trabeculotomy in adults	Vanita Pathak Ray
0941	0951	Phaco for complicated cataract in fuch's heterochromic iridocyclitis	Syed Mujeeb Iqbal
0951	1000	Phacoemulsification in phacomorphic glaucoma in nanophthalmos	Syed Mujeeb Iqbal
1001	1010	Posterior polar cataract phaco- A simple and predictable technique	Syed Mujeeb Iqbal
1011	1020	Drp Of the Savior	Syed Mujeeb Iqbal

Hall A

1000 – 1130 Symposium: Premium IOLs

Chair: Haripriya Aravind
Co Chair: Chitra Ramamurthy
Moderator: Madhukar Reddy

1000	1015	Toric IOL planning	Namrata Sharma
1015	1030	Toric IOLs: Surgical Considerations	Chitra Ramamurthy
1030	1045	Post Op toric IOL misalignment	Haripriya Aravind
1045	1100	Presbyopia Correcting IOLs: Choosing the correct IOL	Sharath Babu C
1100	1115	Presbyopia Correcting IOLs: Choosing the correct patient	Madhukar Reddy
1115	1130	Management of dissatisfied patient	Rajesh Sinha

Hall B

1000 – 1130 All You Wanted to Know about Endophthalmitis

Chair: Krishna R Murthy
Panelist: Mallika Goyal
Panelist: Satish Agraharam
Panelist: Annie Mathai
Panelist: Sandeep Bacchu
Panelist: Tandava Krishnan
Panelist: Rajalingam V

1000	1015	Recognizing endophthalmitis (Endophthalmitis Vs TASS)
1015	1030	Once a clinical diagnosis of endophthalmitis is established, how do we go about investigation it and treating it
1030	1045	EVS protocol in treating post op endophthalmitis
1045	1100	Fungal endophthalmitis
1100	1115	Endogenous endophthalmitis (when to suspect, differentiating it from uveitis
1115	1130	Vitrectomy in endophthalmitis

Hall C

1030 – 1130 Phakic IOLs for the Novice Surgeon

Chair: Aruna Kumari Gadde
Co Chair: Chitra Ramamurthy
Moderator: Arjun Srirampur

1030	1036	Types of Phakic IOLs	Aruna Kumari Gadde
1036	1042	Pre Operative Evaluation	Arjun Srirampur
1042	1050	Surgical Technique	Ramesh G
1050	1058	Managing Glaucoma in Phakic IOL Patients	Tarannum Mansoori
1058	1106	Managing Cataract in Phakic IOL patient	MS Sridhar
1106	1114	Managing Retinal complications in Phakic IOL	Satish Agraharam
1114	1122	Phakic IOLs in Complex Situations	Chitra Ramamurthy
1122	1130	Discussion	

Hall A

1130 – 1200 Ravi Kumar Reddy Oration

Challenging Moments in Cataract Surgery — **Chitra Ramamurthy**

Chair: Ravindra Aitharaju

Hall A

1200 – 1230 Harikishen Gorityala Oration

"Its never night till you see the dark" — **Satish Agraharam**

Chair: Pravin Vaddavalli

Hall A

1230 – 1330 Ethics in medical Practice

Chair: AA Deshpande
Co Chair: Barun K Nayak
Moderator: Manoj C Mathur

1230	1245	Keynote Address - Medical Negligence and Consumer protection Act	M Shreesha
1245	1255	Legal liability of an ophthalmologist in Section 304 –A	AA Deshpande
1255	1305	Indemnity Insurance in Ophthalmic Practice	Manoj C Mathur
1305	1315	Trivialization of Ophthalmic procedures; a dangerous trend	Barun K Nayak
1315	1330	Discussion	

Hall B

1230 – 1330 All you Wanted to Know:Squint

Chair: Jyoti Matalia
Panelist: Ramesh Kekunnaya
Panelist: R Hanumanth Reddy
Panelist: Aloka Hedau
Panelist: Rachna Vinay
Panelist: Vivek Warkad
Panelist: Y Raman

Hall C

1230 – 1330 Challenging Situations in Macular Surgery

Chair: Mallika Goyal
Co Chair: Raja Ram Reddy
Co Chair: Krishna R Murthy

1230	1236	Large Chronic & Failed Macular Holes	Raja Narayanan
1236	1242	Complex Epimacular Membranes	Padmaja K Rani
1242	1248	Submacular Haemorrhage	Raja Ram Reddy
1248	1254	Refractory Diabetic Macular Edema	Satish Agraharam
1254	1300	Myopic Traction Maculopathy	Tandava Krishnan
1300	1303	PVD induction tips, tricks, complications	Sandeep Bachu
1303	1310	Macular Surgery in infants	Subhadra Jalali
1310	1330	Discussion	Mallika Goyal

Hall A

1430 – 1600 **Cornea Symposium**

Chair: Rajesh Sinha
Co Chair: Namrata Sharma
Moderator: Rajesh Fogla

1430	1440	DALK: Peel the last layer to bare the DM	Rishi Swarup
1440	1450	I-OCT guided DALK	Namrata Sharma
1450	1500	DSAEK: Getting the perfect outcome	Madhukar Reddy
1500	1510	DSAEK in Aphakia	Rajesh Sinha
1510	1520	DMEK: Getting the perfect roll	Rajesh Fogla
1520	1530	SLET: Ideal Option for LSCD	Sayan Basu
1530	1540	Customized Cross Linking: Reorienting the corneal lamellae	Chitra Ramamurthy
1540	1600	Discussion	All

Hall B

1430 – 1630 **P Ramchander Competitive Feee Paper Session**

Chair: Chitra Ramamurthy
Judge: Nandkishore Kidambi
Judge: Ravinder Goud
Judge: Sikander Lodhi

1431	1435	Dacryocystorhinostomy - A comparitive study with & without Tube Intubation	Sambasiva Reddy P
1436	1440	Interferon alpha 2b for ocular surface squamous neoplasia	Kavya Madhuri Bejjanki
1441	1445	Incidence of decreased vision with Posterior capsular opacity (PCO) following small incision cataract surgery with rigid PMMA IOL	Bhargavi Pidugu
1446	1450	Role of corneal biopsy in microbiological diagnosis of deep infective keratitis	Srinivas Prasad K
1451	1455	DISCUSSION	
1456	1500	Single-Step Transepithelial PRK vs Coventional PRK in Myopia and Compound Myopic Astigmatism Correction - A Comparitive Study	Aruna Kumari Gadde

1501	1505	Role of bevacizumab in aggressive posterior retinopathy of prematurity	Keerthi Kunche
1506	1510	Anterior segment optical coherence tomography evaluation of kayser fleischer ring in wilson disease	Madhuri Gadde
1511	1515	"To be" or "not to be" sympathetic	Modini P
1516	1520	DISCUSSION	
1521	1525	Quantitative Corneal Neural Imaging Using In Vivo Confocal Microscopy in Cases of Congenital Corneal Anesthesia: A Prospective Analysis and Clinical Correlation	Muralidhar Ramappa
1526	1530	Diagnosis, clinical presentations and outcomes of Nocardia endophthalmitis	Naveen Nukala
1531	1535	Combined hamartoma of Retinal pigment epithelium (CHRRPE)	Sankeerth Gangakhedhar
1536	1540	IgG4-related Ophthalmic Disease - Clinical Profile and Outcome	Haripriya Sameeksha T
1541	1545	DISCUSSION	
1546	1550	Clinical presentations and comparative outcomes of primary versus deferred intraocular lens explantation in delayed-onset endophthalmitis	Syed Musaab Mohiuddin
1551	1600	Identification and quantitative assessment of Schlemm's canal in eyes with 360 0 angle recession glaucoma	Tarannum Mansoori
1601	1605	Conjunctival melanoma in Asian Indian patients: A study of 40 cases	Varshitha Hemanth Vasanthapuram
1606	1610	DISCUSSION	
1611	1615	Comparative Evaluation Of Clinical Characteristics of Biopsy-proven Conjunctival Intraepithelial Neoplasia and Invasive Squamous Cell Carcinoma using Image Processing Softwares: A Case- Control Study	Vijitha V
1616	1620	To find out various causes of blindness in patients coming for physically handicaped certificate	Bharath Kumar Gajjula
1621	1625	TAKE THE BULL BY THE HORNS- Combined DMEK with iris claw lens for Pseudophakic bullous keratopathy	Anupama Kalwad
1626	1630	DISCUSSION	

Hall C

1430 – 1530 **Aiming for Perfect Asepsis**

Chair: Meghraj Chitta
Co Chair: Haripriya Aravind
Moderator: Ashok Reddy

1430	1440	Intracameral antibiotics for endophthalmitis prophylaxis	Haripriya Aravind
1440	1448	OP disinfection procedures	Prem Prakash Reddy
1448	1456	Cleaning and packing of instruments and linen including high risk case	Vijayalakshmi B
1456	1504	Choosing right sterilizer and validation	Ashok Reddy
1504	1512	NABH guidelines for OT	Rupak K Reddy
1512	1520	OT maintainence and sterilization	Ravikumar Reddy
1520	1530	Cluster infections do's and don't's.	Meghraj Chitta

Hall A

1600 – 1730 **Symposium: Neurophthalmology**

Chair: Ramesh Kekunnaya
Co Chair: B Venkateswar Rao
Moderator: Jyoti Matalia

1600	1612	Pot pourri of Neuroophthalmic cases	Jyoti Matalia
1612	1624	Approach to Papilledema	Ramesh Kekunnaya
1624	1636	Approach to a case of Optic atrophy	Vivek Warkad
1636	1648	Optic Neuritis	B Venkateswar Rao
1648	1700	Approach to a cranial nerve palsy	Aloka Hedau
1700	1712	NAION	Rashmin Gandhi
1712	1730	Discussion	

Hall B:

1630 – 1800 **Ocular Trauma**

Chair: Modini P
Co Chair: Haripriya Aravind
Moderator: Venkatratnam P

1630	1640	Perforating injuries Of the cornea and sclera	Srinivas Prasad K
1640	1650	Management of acute chemical injuries	Namrata Sharma
1650	1700	Traumatic Cataract and Management	Haripriya Aravind
1700	1710	Causes of Traumatic glaucoma	Venkatratnam P
1710	1720	Management of traumatic glaucoma	Barun K Nayak
1720	1730	Retained IOFB and Traumatic Endophthalmitis	Krishna R Murthy
1730	1740	Traumatic Retinal Detachment	Tandava Krishnan
1740	1750	Traumatic Optic Neuropathy	Rashmin Gandhi
1750	1800	Discussion	All

Hall C

1530 – 1800 NS Reddy Competitive Feee Paper Session for Post Graduate Students and Residents

Chai: Barun Nayak
Judge: Madhukar Reddy K
Judge: Padma Prabha
Judge: Mallika Goyal

1531	1535	Study of visual outcomes and complications of surgery for a posterior polar cataract with phacoemulsification in a tertiary care institute	Aaradhana Reddy G
1536	1540	Incidence and outcome of Bilateral Rhegmatogenous Retinal Detachment in a tertiary eye hospital in South India	Gopi Krishna N
1541	1545	A clinical study of microbiological profile in congenital nasolacrimal duct obstruction.	Prasanna Bharathi NVN
1546	1550	Incidence of acute intraocular pressure elevation in diabetes mellitus patients treated with laser photocoagulation	Kirtana Allam
1551	1555	DISCUSSION	
1556	1600	CCC performed by manual capsulotomy, femtosecond laser assisted capsulotomy andzepto precision pulse capsulotomy: morphology and IOL centration	Soumya Devta

1601	1605	Knowledge regarding eye donation among patients in Tertiary care hospital	Sahitya Gogineni
1606	1610	Ocular disorders in mentally challenged children	Hemanth Reddy Vanga
1611	1615	Relationship between central corneal thickness and myopia	Dharani Padam
1616	1620	DISCUSSION	
1621	1625	Safety and outcomes of Descement stripping of endothelial keratoplasty	Preethi P
1626	1630	Comparison of central corneal thickness after photo refractive keratectomy with three noncontact optical devices	Pallavi G
1631	1635	Correlation between systemic factors and morphological patterns of OCT in diabetic macular edema	Sharanya Namburi (With drawn)
1636	1640	Assessment of tear film stability in patients with Pseudoexfoliation	Srinivas Pavan K Y
1641	1645	DISCUSSION	
1646	1650	Comparison of non contact tonometry (NCT) and Goldmann applanation tonometry (GAT) in normal and glaucomatous eyes and the effect of central corneal thickness on the readings	Srishti Sohni
1651	1655	Study of risk factors and demographic factors associated with type of age related macular degeneration (AMD)	Srujana Pinapala
1656	1700	Comparison of SD-OCT findings in laser treated ROP myopic children with age matched normal myopic children	Swathi S
1701	1705	Management and visual outcome of rhegmatogenous retinal detachment with gaint retinal tear	Lavanya Racha
1706	1710	DISCUSSION	
1711	1715	Management and Outcome of Iatrogenic Globe perforation during peribulbar block at tertiary eye centre	Rajesh Kumar N

1716	1720	Comparative study of macular changes using optical coherence tomography (OCT) following uneventful cataract surgery and cataract surgery complicated with posterior capsule rent	Sai Rupa Sree P
1721	1725	Destructive eye surgeries as an indicator of socioeconomic status in south India	Udit Ajmani
1726	1730	DISCUSSION	
1731	1735	Evaluation of corneal endothelial cell density in primary angle closure disease in a tertiary eye hospital in south India	Sowmya Andole
1736	1740	Ergonomics in relation to ophthalmology	V Gurumoorthy
1741	1745	Management and outcome of post cataract surgery optic neuropathy	Gopi Krishna Chetti
1746	1750	DISCUSSION	

Hall A

1730 – 1830 3D Stereoscopic Oculoplasty Surgery Show

Chair: Santosh Honavar

	1	Anatomy of eyelid, lacrimal system and orbit	Jyoti Matalia
	2	Clinical evaluation of eyelid, lacrimal system and orbit	Ramesh Kekunnaya
	3	Surgical procedures	Vivek Warkad
	A	Entropion	B Venkateswar Rao
	B	Ectropion	Aloka Hedau
	C	Congenital ptosis	Rashmin Gandhi
	D	Acquired ptosis	
	E	Eyelid reconstruction	
	F	Enucleation with implant	
	G	Socket reconstruction	
	H	Orbitotomy	
	I	Orbital fracture	
	J	Lacrimal surgeries	

Scientific Program
Day 3
July 15, 2018

Day - 3
Sunday, July 15, 2018

Hall A:

0830 – 1000 **Sharat Babu Refractive Cataract Symposium**

Chair: Namrata Sharma
Co Chair: Murali Aasuri
Moderator: Rajesh Sinha

0830	0840	Co-managing cataract & glaucoma: current preferences	Barun Nayak
0840	0850	Cataract surgery in vitrectomized & silicone filled eyes	Rajesh Sinha
0850	0900	Complex situations in femto cataract surgery	Chitra Ramamurthy
0900	0910	Cataract surgery in cloudy corneas	Namrata Sharma
0910	0920	Dysphotopsias: Why do they happen & how do we deal?	Murali Aasuri
0920	0930	Refining the outcomes with toric IOLs	Gopal Gaju CV
0930	1000	Discussion	All

Hall B:

0830 – 1000 **Complications in Refractive Surgery**

Chair: Nitesh Narayen
Co Chair: Chitra Ramamurthy
Moderator: Syed Maaz

0830	0842	Reading Corneal Topography - when not to operate	Rajesh Sinha
0842	0854	Complication in Microkeratome LASIK and Femto LASIK	Nitesh Narayen
0854	0906	Complications in PRK	Ramesh Bobbili
0906	0918	Complications in SMILE	Syed Maaz
0918	0930	Complications in Phakic IOLs/ ICLs	Namrata Sharma
0930	0942	Overview of complications in Refractive Surgery	Chitra Ramamurthy
0942	1000	Challenging cases	All

Hall C:
0830 – 1000 **Gangadhar Reddy Quiz**
Chair: Rishi Swarup

Hall A:
1000 – 1130 **G Ramachandra Rao Symposium on Refractive Surgery**
Chair: Nandkishore Kidambi
Co Chair: Jagadesh C Reddy
Moderator: Rajesh Sinha

1000	1010	Selection of a patient for keratorefractive surgery	Nandkishore Kidambi
1011	1020	When and why do I prefer surface ablation	Rishi Swarup
1021	1030	Complications of LASIK	Namrata Sharma
1031	1045	Nuances with posterior chamber Phakic IOLs	Rajesh Sinha
1046	1100	SMILE: Integrating the technology	Chitra Ramamurthy
1101	1115	Residual Refractive error: Enhancement approach!	Jagadesh C Reddy
1116	1130	Discussion	All

Hall B:
1000 – 1130 **Toric IOLs**
Chair: Chitra Ramamurthy
Co Chair: RP Challa
Moderator: Rishi Swarup

1000	1010	Recent advances in Biometry for Toric IO	Muralidhar R
1011	1020	Case Selection for Toric IOL	Rishi Swarup
1021	1030	Surgical tips for Optimising Toric IOL	Madhukar K Reddy
1031	1040	Intra op Aberrometry - does it enhance Toric outcomes?	Namrata Sharma
1041	1050	Toric IOL complications	Chitra Ramamurthy
1051	1100	Toric IOLs in irregular corneas – Do's & Don'ts	Rajesh Sinha
1101	1130	Discussion	All

Hall C:

1000 – 1100 **Video assisted spectrum of Glaucoma Surgery**

Chair: Vanita Pathak Ray
Co Chair: Syed Mujeeb Iqbal
Co Chair: Barun K Nayak
Moderator: Garudadri Balu

1000	1010	Step-by-step trabeculectomy	Garudadri Balu
1010	1012	Augmented trabeculectomy - MMC	Vanita Pathak Ray
1012	1015	Augmented trabeculectomy - Express Shunt	Syed Asghar Hussain Naqvi
1015	1020	Combined cataract and trabeculectomy	Syed Mujeeb Iqbal
1020	1025	Rescue of a failing or failed bleb	Garudadri Balu
1025	1030	Trabeculotomy	Syed Asghar Hussain Naqvi
1030	1035	Glaucoma Drinage devices - Valved	Syed Mujeeb Iqbal
1035	1040	Glaucoma Drinage devices - Non-valved	Vanita Pathak Ray
1040	1045	Cyclo-procedures – Trans scleral	Syed Mujeeb Iqbal
1045	1050	Cyclo-procedures – Endoscopic cyclo procedures	Vanita Pathak Ray
1050	1100	Discussion	

Hall A:

1130 – 1300 **VV Ramana Rao Grand Rounds**

Chair: Rajesh Sinha
Judge: Modini P
Judge: Vishwanath K
Judge: Kalyani Prasad

1131	1135	Blend it like Cornea - The tale of 3 Storeys	Arjun Srirampur
1136	1140	Unilateral Proptosis with visual impairment in a young male: Initial clinical manifestations of Fibrous Dysplasia	Arshia Mohammed
1141	1145	Role of plasmapheresis in neuromyelitis optica spectrum disorder	Gadde Madhuri
1146	1150	Management of an atypical case of terrien's marginal degeneration	Lumbini Devi
1151	1155	DISCUSSION	

1156	1200	New laser approach for the management of pseudophakic malignant glaucoma	Mythili Kota
1201	1205	Extensive meibomian gland carcinoma- a rare sebaceous gland tumor	Udit Ajmani
1206	1210	Managing reccurent granular dystrophy with lasers	Annapurna NV
1211	1215	Deep Anterior Lamellar Keratoplasty for fungal keratitis	Sritha Vemuganti
1216	1220	DISCUSSION	
1221	1225	Welder's maculopathy mimicking as macular hole	Supriya Patil
1226	1230	Microsporidia returns	Garvit Bhutani
1231	1235	Retained Lenticule management following complicated SMILE	Raghavender Reddy Arra
1236	1240	Management of fibrosed descemet's membrane detachment after uneventful phacoemulsification	Sannapuri Sravanthi
1241	1245	DISCUSSION	
1246	1250	Beyond the angles in angle closure disease!	Vishwa Shah
1251	1255	Iridodialysis repair with iris claw len	Kalpana Rani G
1256	1300	High-resolution OCT in a case of descemetocele managed with amniotic membrane transplantation	Nilufer Sultana
1301	1305	A sad saga of two eyes:one dances in turbulence,other looms in darkness – a case report	Subhav Pershad
1306	1310	DISCUSSION	

Hall B

1130 – 1300 Basic Aspects for a good researcher

Chair: Tandava Krishnan
Co Chair: Barun K Nayak
Moderator: Savitri Sharma

1130	1145	Statistics for beginners	Shamanna BR
1145	1200	How to choose the correct statistical test	Barun K Nayak
1200	1215	How to plan and execute a study	Padmaja K Rani
1215	1230	Search strategies for medical literature	Tandava Krishnan
1230	1245	The science and art of writing a paper	Savitri Sharma
1245	1300	Discussion	All

Hall C

1100 – 1200 **Masterclass: Pediatric Cataract Surgery in Special Situations**

Chair: Muralidhar Ramappa
Co Chair: Jyoti Matalia
Moderator: Murali K Aasuri

1100	1102	Introduction and over view	Muralidhar Ramappa
1102	1112	Cataract surgery in anterior segment disorders	Muralidhar Ramappa
1112	1122	IOL implantation in infants	Murali K Aasuri
1122	1132	Management of pediatric cataract with posterior capsular abnormalities or dehiscence	Jyoti Matalia
1132	1142	Secondary IOLs or IOL exchanges	Rajesh Sinha
1142	1200	Discussion	

Hall C

1200 – 1300 **Non Competitive Free papers**

Chair Y Raman
Co Chair Satyavani K
Co Chair Siva Kumar

1200	1205	Younger Vs Older Asian Indian Children with Retinoblastoma Clinical presentation and outcome	Arpita Maniar
1206	1210	To assess the outcome of aspiration and sclerotherapy with sodium tertadecyl sulphate (STS) in the management of conjunctival inclusion cysts.	Arpita Nayak
1211	1215	Incidence of decreased vision with PCO following small incision cataract surgery with rigid PMMA IOL	Gajjala R Bharath Kumar
1216	1220	DISCUSSION	
1221	1225	Clinico-pathological study of lacrimal gland masses in a tertiary care centre	Maria Farooqui
1226	1230	Study of incidence of steroid induced glaucoma after cataract surgery	Maria Farooqui
1231	1235	Dacryocystorhinostomy- A comparitive study with & without Tube Intubation	Pujala Sambasiva Reddy
1236	1240	DISCUSSION	

1241	1245	Manipulative gonioscopy as a predictor of angle opening – post nd YAG iridotomy in pacs patients	Pavan Kumar Reddy
1246	1250	Enucleation in adult population: A study of 478 patients	Sai Divya J
1251	1255	Effects of methotrexate treatment in chronic non-infectious uveitis	Sai Suguna Kotamraju
1256	1300	DISCUSSION	
1301	1305	Study of patients with diabetic retinopathy and incidence of hypertension and correlation with biochemical parameters	Salguti Sahiti
1306	1310	Assessment of dry eye in rural hospital setting	Pavan Kumar Reddy
1311	1315	DISCUSSION	

MANOJ MATHUR
POSTER SESSION

Telangana Ophthalmological Society

Hall C

1200 – 1300 **Manoj Mathur Poster Session**

Judge: Manoj Mathur
Judge: Krishna R Murthy
Judge: Tandav Krishnan

1	Rare Case of Ocular Myasthenia Gravis	Aaradhana Reddy G
2	Inflammatory pseudotumour of the orbit:a case report	Aaradhana Reddy G
3	Congenital Fibrosis of the Extra ocular Muscles	Aknoor Sriram Charan
4	Aneurysmal bone cyst of orbit: case report	Aknoor Sriram Charan
5	A case report on axenfeld rieger syndrome	Allam Kirtana
6	Marfan syndrome – a case report	Ankitha Rachuri
7	On the ball- a bubble to fix it all	Anupama Kalwad
8	DSEK in complex endothelial pathologies	Arjun Srirampur
9	Unilateral Proptosis with visual impairment in a young male: Initial clinical manifestations of Fibrous Dysplasia	Arshia Mohammed
10	JOAG – The missing link	Aziza Yasmeen
11	Atypical retinitis pigmentosa : case report	Bhargavi Pidugu
12	Role of IV Immunogolbulin Therapy in Ophthalmology	Charuta J Puranik
13	Unusual Presentation of TYPE 2 Macula Telangiectasia associated with Adult Onset Coats	Gattu Jyotirmai
14	Non accomodative esotropia coexisting with browns syndrome andarnold chairi malformation type 1	Gopi Krishna N
15	A case report on coloboma iris, coloboma choroid	V Gurumoorthy
16	Incidence of endophthalmitis following intravitreal injections	Janga Archana
17	Spontaneous reattachment of descemet's membrane detachment post Deep Anterior Lamellar Keratoplasty (DALK) in a case of macular dystrophy	K Kavya Reddy
18	Ocular management challenges in laryngo-onycho-cutaneous(LOC)syndrome or Shabbir syndrome	Kalluri Satya Srividya
19	A case of multifocal choroiditis secondary to tuberculosis	Karike Sabitha

20	Ectopia lentis leading to diagnosis of rareinborn error of metabolism: homocystinuria	Maimoona Fareed
21	The Long Term Functional Success of Penetrating keratoplasty (PK) in cases of Primary Congenital Glaucoma (PCG): 28 Years of Our Experience	Muralidhar Ramappa
22	Orbital lymphangioma – a case report	Nikitha Reddy G
23	Neurofibromatosis: a case report and review	Padam Dharani
24	Pneumodescemetopexy with Perfluoropropane for acute corneal hydrops in keratoconus	Pallavi Gutlapalli
25	Bilateral lisch nodules in a patient with Neurofibromatosis type-1.	Pamuru Drsya
26	Outcomes of DALK	P.Pavani Yelamanchili
27	Iris cyst a case report	Peddi Santosh
28	Ocular manifestations with corneal OCT changes in a rare case of Xeroderma pigmentosum	Prathima Linga
29	A case of CNG tuberculoma as bilateral BRAO - A case report	P Preethi
30	Comparison of visual outcome and optical quality using double pass system for lenticuloschisis in reLEx SMILE	Raghavender Reddy Arra
31	Goldenhar syndrome presenting with ocular dermoid cyst : a case report	Ramya Sri K
32	Isolated papillitis as the prominent ocular sign in immunocompromised patient – a case report	Rashmi Maloth
33	Lipemia retinalis in an infant with acute pancreatitis	S Swathi
34	A rare case of AVELLINO CORNEAL DYSTROPHY.	Suguna Kotamraju
35	Diagnosis of BARDET BEIDL SYNDROME in a child presenting with diminished vision	Suguna Kotamraju
36	A case of choroidal hemangioma	Salguti Sahiti
37	Primary Pterygium in a 8-Year-Old child: Report of a Rare Case	Sangepu Rajani
38	Fluoxetine, a selective serotinin reuptake inhibitor overdose resulting in a central retinal vein occlusion	Sannapuri Sravanthi
39	A case report of Anaemic Retinopathy	Sharat Chandra BN
40	Ocular Surface Squamous Neoplasia(OSSN)in HIV positive patients -A clinical and histopathological study	Soumya Nagulapally

41	Circumscribed choroidal hemangioma – A rare choroidal tumour.	Spandana Nimma
42	A case report of Pituitary macroadenoma with homonymous hemianopia	Srinivas Pavan Kumar Y
43	Blepharophimosis ptosis epicanthus inversus syndrome with keratoconus	Sritha Vemuganti
44	Study of risk factors and demographic factors associated with type of age related macular degeneration (amd)	Srujana Pinapala
45	A case of penetrating ocular trauma with pupillary block with intrlenticular foreignbody	Srujana Nalabolu
46	Sturge weber syndrome – a case report	Tanveer Fathima
47	Imitator of glaucoma : Optic disc pit	Tarannum Mansoori
48	True exfoliation of lens capsule	Tarannum Mansoori
49	Giant cell arteritis : A RARE CASE REPORT	Vaggu Sree Kumar
50	Sequelae ofsimple hamartoma of retina in young adult -a unique case report	Snehitha Alla
51	Valsalva retinopathy (case report)	Brunda Moparthi
52	Incomplete aniridia with cataract and micro cornea	Gopi Krishna Chetti
53	Eales plus adult onset coats disease or late vascular changes in eales diseases masqueriding coats type reaction	T Haritha Goud
54	Immune mediated retinal vasculitis – post typhoid fever	Kalpana Rani
55	Underdiagnosed simultaneous unilateral presentation of crao in crvo patient detected by spectral domain oct	Lavanya Racha
56	Unilateral pigmentary retinpathy associated with free floating vitreous cyst - a case report	Kavitha Rani M
57	Progressive ocular inflammation in patient with harada's disease following anti tubercular therapy - case report	Naagasusmitha Jeedigunda
58	Simplified surgical treatment in a rare case of LEFT EYE BROWN'S SYNDROME coexisting with concomitant exotropia	Naagasusmitha Jeedigunda
59	Cilioretinal artery occlusion as presumed before ocular tuberculosis - case report	Rajesh Kumar N
60	Fuchs heterochromic iridocyclitis - Presenting as mature cataract in young male	Samyuktha Reddy

61	Juvenile primary open angle glaucoma with macular schisis and foveal detachment – case report	Tejaswini K
63	Ocular Surface Squamous Neoplasia with Concomitant Microbial Keratitis	Anasua Kapoor
64	To report a case of psuedotumor	Lakshmi Reddy
65	A case of left lateral rectus palsy with a lesion in the left cavernous sinus	Prasanna Lakshmi U
66	Ocular surface squamous neoplasia – a case report and review	Prasanna Lakshmi G
67	A case of USHER'S SYNDROME	Shiva Kumar Ammula
68	A case of bilateral rectus palsy in RTA with acute hemorrhagic stroke	Saphalya Chella
69	A case of marfans syndrome.	Amith Kumar Pampalkar
70	Intra operative massive supra choroidal haemorrhage in myopic retinal detachment case	Prasanna Bharathi NVN
71	A rare case of crouzon syndrome:ocular features	G Aaradhana Reddy
72	Bardet Biedl Syndrome: An Unusual Presentation	Asif Ullah Siddiqui
73	A case of Ocular Surface Squamous Neoplasia	Harika Anne
74	First ever Post SMILE cataract surgery with multifocal IOL	Raghavender Reddy Arra
75	Double choking -Impending CRVO central retinal vein occlusion with cilioretinal artery occlusion	Kalpana Rani G
76	Ocular Manifestations of Systemic Lupus Erythematosus	Srujana Reddy Nalabolu
77	Chronic progressive external ophthalmoplegia with exotropia – a case report	R. Rakesh Singh
78	Comparative study of pre & post small incision catract surgery(sics) corneal topography changes and its visual outcome	Tejaswini M
79	Ocular manifestations of head injury patients presenting to Mamata General Hospital, Khammam	Yashaswi Pendyala
80	Ocular biometry in primary angle closure glaucoma	Nikitha Reddy G

81	Fibrin Assisted Lamellar Keratoplasty for Acanthamoeba Keratitis	Arjun Srirampur
82	Enucleation in pediatric population: A study of 1490 patients	Bejjanki Kavya Madhuri
83	Sclerotherapy for Lymphangioma	Bejjanki Kavya Madhuri
84	Pterygium excision with no glue no suture amniotic membrane graft	Gadde Aruna Kumari
85	Visual outcome and complications of diabetic vitrectomy in patients with altered renal parameters vs normal patients	Keerthi Kunche
86	Surgical Removal of Implantation Iris Cysts: Indications, Surgical Challenges and Long-Term Outcomes	Muralidhar Ramappa
87	Orbital polyostotic fibrous dysplasia with proptosis	Ramya Sri K
88	Retrospective study of ocular trauma cases	P Sambasiva Reddy
89	Ruthenium 106- Plaque Brachytherapy in Diffuse choroidal Hemangioma	Haripriya Sameeksha T
90	An unusual case of orbital Cysticercosis	Manmitha Reddy Muppidi
91	Retinoscopic evaluation of refractive error in pseudophakic eyes	Divya Thatikonda
92	A clinical study on Etiopathogenesis of Proptosis	Sujani Sunkesula
93	Duane's retraction syndrome-a case report synopsis	S M Qutubuddin Ali
94	An unusual pathogenic social amoeba, Dictyostelium Polycephalum causing keratitis	Kavya Reddy K
95	Conjunctival Involvement in Rosai Dorfman Disease: A Report of Two Cases	Vijitha V
96	STICKLER'S SYNDROME – a case report	Tanveer Fathima
97	A case of posterior scleritis with ciliochoroidal detachment and Angle closure glaucoma	R. Pavan Kumar
98	Pituitary Macroadenoma with bitemporal hemianopia	CV Sai Prashanthi

LASER CATARACT SURGERY, MULTIFOCALS, TORIC, ICLS,
RETINA SURGERY, DIABETIC RETINOPATHY, GLAUCOMA MANAGEMENT, ROP / SQUINT

35-60/1, G. K. Colony, Near Neredmet X Road,

Sharat Laser Eye Hospital

A Super Speciality NABH Accredited SHCO Eye Hospital in Telangana State

Appointments : 0870-2447788, 2448788. E-mail : sleh93@outlook.com

CATARACT SURGERY- WET LAB

PRACTICE ON GOAT'S EYE AND KITARO DUMMY EYES

WET LAB

Open for practice and honing skills in SICS/Phaco emulsification

- For candidates pursuing post Ophthalmology
- Practicing surgeons who wish to improve skills and gain confidence

PRACTICE

- Tunnel making (scleral/clear corneal), Capsulorhexis, Suturing, Hydro procedures, Nucleus Cracking techniques etc. under supervision
- 1st week- 20 goat eyes
- Kitaro kits/dummy practice eyes for phaco practice (on payment basis)
- Trained supervision available for guidance

PHACO/SICS FELLOWSHIP

Duration : 4 weeks (1st week wet lab+3 weeks hands on cases under supervision)

Eligibility : MS/DNB/DO/DOMS

SICS : Minimum 15 cases

- Bluementhal technique PHACOEMULSIFICATION: 20 cases
- Taught on centurion phaco system
- Video recording & case discussion
- During fellowship trainee participates in OPD, Diagnostics& Research activities
