SCIENTIFIC PROGRAMME

Welcome Message

Message from the Chairman, Scientific Committee

Dear Colleagues,

It is my immense pleasure to invite you to STAMBHADRI EYECON 2026 in the vibrant city of Khammam—a conference thoughtfully designed to inspire, educate, and connect ophthalmologists across every stage of their professional journey.

Our Scientific Committee has curated a comprehensive programme that blends cutting-edge science with practical clinical wisdom. Over three exciting days, you can look forward to internationally acclaimed faculty (2 international and 18 national faculty), stimulating keynote lectures, prestigious orations, near-live surgical demonstrations, focused instruction courses, interactive symposia, challenging debates, grand rounds, video sessions, and opportunities to engage with the brightest minds in ophthalmology.

The conference spans every subspecialty—from cornea, cataract and refractive surgery to glaucoma, retina, pediatric ophthalmology, neuro-ophthalmology, oculoplasty, ocular oncology, uvea, trauma, and practice management. Special highlights include sessions on artificial intelligence, innovation, myopia management, complex surgical decision-making, and emerging technologies that are shaping the future of eye care.

Young ophthalmologists and postgraduate students will find abundant opportunities through competitive paper presentations, surgical video sessions, quizzes, grand rounds, and the "Teachers of Tomorrow" programme. At the same time, experienced clinicians can look forward to enriching discussions, expert panels, and practical pearls that can be translated directly into everyday practice.

Beyond the scientific feast, Khammam offers the warmth and hospitality for which Telangana is renowned. We hope you will enjoy not only the academic excellence but also the friendships, collaborations, and memorable experiences that make TOSCON truly special.

On behalf of the Scientific Committee, I warmly invite you to join us in Khammam. Come prepared to learn, share, debate, innovate, and celebrate the spirit of ophthalmology.

We look forward to welcoming you to an unforgettable TOSCON 2026.

Warm regards,

Dr. Rishi Swarup FRCS
Chairman, Scientific Committee
Telangana Ophthalmological Society
